## KEEP OUT OF REACH OF CHILDREN

## WARNING

### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**WARNING:** Combustible liquid. Causes eye irritation. Harmful if swallowed. Wear protective eyewear, gloves and clothing. Avoid breathing vapors or spray. Use only outdoors or in a well ventilated area. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse. Keep away from flames and hot surfaces.

#### FIRST AID

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention. **IF SWALLOWED:** Rinse mouth. Call a poison control center or doctor if you feel unwell.

#### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Store in a cool, well-ventilated place. Nonrefillable container. Do not reuse or refill this container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state or local ACRC recycler, visit the ACRC web page at [www.acrcycle.org](http://www.acrcycle.org). Decontaminated containers may also be disposed of in a sanitary landfill.

**Net Contents:** 2.5 gallons (9.46 L)  
Packaged: 2 X 2.5 gallons (9.46 L)

## DIRECTIONS FOR USE

BRANDT INSPRAY 90 is a general purpose, low foam nonionic spreader/activator that maximizes the effectiveness of pesticides. It is designed for quick wetting, uniform droplet distribution and increased spray retention on leaf and stem surfaces.

Read and follow the precautions, restrictions and recommendations on the labels of pesticides used with BRANDT INSPRAY 90. Use according to the most restrictive label directions for each product in any tank mix.

**COMPATIBILITY:** BRANDT INSPRAY 90 is compatible with most fertilizers and pesticides. However, if the desired combination has not been previously used, a compatibility test is recommended.

**MIXING:** Shake well before using. Fill spray tank 1/2 full of water and begin agitation. Add the recommended amount of BRANDT INSPRAY 90. Add products as directed by label or in the following sequence and continue filling tank: (1) Dry flowables or water dispersible granules, (2) Wettable powders, (3) Flowables, (4) Solutions, (5) Emulsifiable concentrates. Continue agitation until spray solution is completely mixed. Continuous agitation of finished spray is recommended. If spray solution has been allowed to stand, thoroughly agitate and remix before application.

**RECOMMENDATIONS:** Specific use rates will vary with conditions of application such as water hardness, application method, equipment, spray droplet size, condition of foliage, etc. Also, higher rates than those below may be used if recommended by pesticide labeling. Follow pesticide label directions. However, do not add this product at a rate which exceeds 5% of the finished spray volume.

**Ground:** 1/2 to 4 pints per 100 gallons of spray solution.

**WARRANTY:** Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use; but neither this warranty nor any other warranty of merchantability or fitness of a particular product expressed or implied, extends to the use of this product contrary to label conditions, or under conditions not reasonably foreseeable to the seller; and buyer assumes the risk of any such use.
