RODENTICIDE - For Use in Organic Production

BRAT-G™ kills rats and mice. Rats and mice can consume a lethal dose in one feeding and usually die within 12-48 hours of consumption.

BRAT-G™ is a unique rodent bait that kills rats and mice resistant to anticoagulant baits. **BRAT-G™** meets National Organic Program requirements for organic production and is highly attractive to rats and mice. **BRAT-G™** poses a low risk to birds so it can be used in almost any baiting condition.

READ ENTIRE LABEL BEFORE USE.

Manufactured by:

7300 North Kendall Drive, Suite 640
Miami, FL 33156

RODENTICIDE - For Use in Organic Production

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH PRECAUTIONARY STATEMENTS AND DIRECTIONS, AND WITH APPLICABLE STATE AND FEDERAL REGULATIONS.

DIRECTIONS FOR USE:

Determine area of highest mice or rat concentrations or highly travelled places. Correct placement of bait could be along walls, small openings, corners, in between walls or floors, or any location with signs of rodent activity.

- For mice place 5-10 grams approximately 10 feet apart and maintain the amount of bait for about 10 days or until rodent population has sufficiently decreased.
- For rats place 40-100 grams approximately 20 feet apart and maintain the amount of bait for about 10 days or until rodent population has sufficiently decreased.

STORAGE AND DISPOSAL:

Do not contaminate water, food or feed by storage and disposal.

Store out of reach of children in a cool, dry, and dark place. Do not reuse container. Recycle or throw in trash. Do not pour down drain.

FOR CONTAINERS LARGER THAN ONE GALLON:

PESTICIDE STORAGE AND SPILL PROCEDURES: Store upright at room temperature. Avoid exposure to extreme temperatures. In case of spill or leakage, soak up with an absorbent material such as sand, sawdust, earth, fuller's earth, etc. Dispose of with trash.

CONTAINER DISPOSAL: Triple rinse or its equivalent, then offer for recycling or reconditioning, or puncture and dispose of with ordinary trash.

STORAGE: Store in original container in a dry, cool place inaccessible to children and pets. Do not store at temperatures below 45° F.

DISPOSAL: Do not reuse container. Discard in trash.

PRECAUTIONARY STATEMENTS:

Keep out of reach of children.

Avoid any contact around eyes or mouth. May cause mild skin irritation in rare cases.

If in eyes: wash thoroughly with clean water. If any irritation occurs, discontinue use. If irritation continues, consult a physician.

NOTICE: Buyer is responsible for the safe handling of this product. The information and directions set forth on this label should be followed carefully.

CAUTION - Harmful if swallowed. May cause eye and skin irritation. Avoid contact with eyes, skin and clothing.

PERSONAL PROTECTIVE EQUIPMENT (PPE): Persons handling concentrate are recommended to wear:

Protective eyewear and chemical resistant gloves made of neoprene, nitrile or natural rubber.

USER SAFETY RECOMMENDATIONS: User should wash hands before eating, drinking, chewing gum, using tobacco, or using toilet. Remove clothing immediately if the product gets inside. Wash thoroughly and put on clean clothing. Remove PPE after handling this product. Wash the outside of the gloves before removing.

PHYSICAL AND CHEMICAL HAZARDS: Do not use, pour, spill or store near heat or open flame. Store only in original container.

LIMITATION OF LIABILITY:

To the fullest extent permitted by law, the manufacturer disclaims any liability whatsoever for special, incidental or consequential damages resulting from the use or handling of this product. Buyer assumes all responsibility for safety and use not in accordance with label, directions and precautionary statements.

KEEP OUT OF REACH OF CHILDREN. CAUTION.
