Guaranteed Analysis

Total Nitrogen (N) 1%
 1% Slowly-Available Water-Soluble Nitrogen*

Soluble Potash (K₂O)..... 1%
 Derived from composted plant matter

*Slowly Available Nitrogen from composted plant matter

ALSO CONTAINS NON-PLANT FOOD INGREDIENTS:

4% Humic Acids
10% Amino Acids
21% Organic Acids

Derived from: Leonardite and fermented grain by-products.

GENERAL INFORMATION

CHB Premium 21 is a humic acids solution extracted from leonardite. CHB Premium 21 is formulated with a form of organic nitrogen derived from composted plant material.

CHB Premium 21 is primarily designed for soil and water run applications in combination with fertilizers.

DIRECTIONS FOR USE

Applications - CHB Premium 21 can be applied by side dress and banding equipment, water run through irrigation systems or sprayed directly on soils or foliar applied with other fertilizer materials. CHB Premium 21 can also be impregnated into dry fertilizer blends.

Storage and Disposal - Store in original containers at temperatures **above freezing**. Dispose waste at approved disposal facility. To dispose of containers, triple rinse and dispose according to local and state regulations.

It is recommended to shake, stir or agitate containers or tanks of Premium 21 just prior to usage.

SUGGESTIONS FOR USE

CHB Premium 21 can be soil applied and water run on all crops at rates of 1 to 10 gallons per acre. It is best to use materials in split applications with other fertilizer and micronutrient products at 1 to 3 gallons per acre in 2 to 4 applications. All Crops: Foliar apply 1-8 quarts per acre with adequate dilution with or without other liquid foliar nutrients. Minimum suggested dilution is 20 parts of water to 1 part CHB Premium 21. When applications are sprayed or applied directly to soil without other nutrients, dilute in 3-10 gallons/acre of water prior to application.

NOTICE

Since many pesticide products can be neutralized and/or tied up by soil organic matter, it is highly recommended not to use pesticides applied directly with humic acids. Consult pesticide representative before using on a large scale.

CONDITIONS OF SALE

Seller and/or manufacturer warrants only that this product consists of the ingredients specified on this label. No one is hereby authorized to make any warranty and/or guarantee concerning the use of this product. Being that the use, timing, placement, rate, application and other conditions are beyond the control of the seller and/or manufacturer, the seller's and/or manufacturer's liability for handling, storage and use of this product is limited to replacement of product or refund of purchase price.
