

GrowMore Citra-Grow is chelated with organic citric acid. The organic acid molecule which carries the metal into the plant tissues is easily and readily absorbed and metabolized within the plant. All ingredients in this product are in compliance with the USDA National Organic Program (NOP). Citric acid is important also in regulating the balance of cations and anions.

DIRECTIONS:

Field & Vegetable Crops:

Foliar Feed: Use 2 to 3 quarts per acre (4.5 to 6.8 liters per HA). Apply at 4 to 5 true leaf stage or at bud stage before bloom. Subsequent applications can be made at 3 to 4-week intervals as needed. Use sufficient water for full coverage spray.

Soil Feed: Use 1 to 1.5 gallons per acre (9 to 13.6 liters per HA).

Fruit, Vine & Nut Crops:

Foliar Feed: Use 4 to 6 quarts per acre (9 to 14 liters per HA). Apply at bud swell or as pre-bloom spray. Subsequent applications can be every 4-6 weeks as needed. Use sufficient water for full coverage spray. **Soil Feed:** Use 2 to 3 gallons per acre (18 to 27 liters per HA).

5.0% Chelated Copper

Derived from Copper Sulfate & Citric Acid

CAUTION
KEEP OUT OF REACH OF CHILDREN

DENSITY: 10.0 LBS / GALLON

NET CONTENT: 2.5 GALLONS (9.46 L)

NET WEIGHT: 25 LBS. (11.33 KG)

Turf Grass:

Tees & Greens: Use 2 to 3 ozs. (56 - 84 cc) in 3 to 5 gallons (11 to 19 liters) of water per 1,000 sq. ft. (93 sq. ms.).

USGS Spec Tees & Greens: Apply 4 ozs. (85 to 113 cc / 93 sq. ms.) per 1,000 sq. ft. every 21 days with fertilizer application to maintain color.

Blue Grass, Bent Grass & Rye Grass: Use 2 to 4 ozs. (56 to 113 ml) in 3 to 5 gals. (11 to 19 liters) of water per 1,000 sq. ft. during the active growing season.

Mixing-Storage-Handling:

Add Citra-Grow to tank when half-full. Perform jar test prior to using previously untried combinations. Protect from freezing.

Compatibility:

Dilute Citra-Grow prior to adding other spray chemicals. Grow More is compatible with most commonly used pesticides, herbicides, fungicides, amines and surfactants. Do not mix with Calcium compounds.
