

SPECIMEN

COMPOSE-DC[™] FERTILIZER COMPATIBLE GRANULAR HUMIC ACID

CONTAINS NON-PLANT FOOD INGREDIENT

70.0% Humic acid derived from leonardite

DIRECTIONS FOR USE

COMPOSE-DC is a coated leonardite mix manufactured with a proprietary process that allows it to be mixed with urea and other hygroscopic nitrogen fertilizers. Humic acids may aid in the uptake of micronutrients.

SOIL APPLIED WITH OTHER NUTRIENTS ON AGRICULTURAL CROPS

Broadcast application is recommended. Mix with all dry fertilizers at a rate of 40 lb/acre. COMPOSE-DC may be applied anytime during the year. For best results make the first application in the fall after deep tillage to let rains carry it in or 60 days before deep tillage is done to allow time for release of humic acids. A second application is recommended at pre-plant up to first blossom. Rainfall or irrigation after application can be beneficial.

Can be applied alone at 40 lb/acre.

This product is not considered hazardous under the Globally Harmonized System (GHS) regulations.

DISCLAIMER OF WARRANTIES

Seller warrants that the composition of this product conforms to the description given on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Timing, rate and method of application, weather and crop conditions, mixtures not specifically recommended on this label or an accompanying written recommendation, are beyond the control of the seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at buyer's option, as full discharge of seller's liability. No one is authorized to make any other warranty, guarantee or directions concerning this product, and no such warranties, guarantees or directions shall be valid or binding upon seller.
