CROP OIL CONCENTRATE

FERTILIZER COMPATIBLE CROP OIL / SURFACTANT

PRINCIPAL FUNCTIONING AGENTS

Paraffinic petroleum oil, tall oil fatty acids, alkylphenol ethoxylates....	98.9%
Constituents ineffective as spray adjuvants.....	1.1%
Total.....	100.0%

All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.

FIRST AID

Always call a poison control center or doctor for treatment advice.

If Swallowed: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

If Inhaled: Avoid breathing fumes/mist/vapors/spray. Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

If In Eyes: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing.

If On Skin or Clothing: Wash with plenty of soap and water. Take off contaminated clothing and wash before reuse.

GENERAL INFORMATION

Crop Oil Concentrate is a blend of highly refined spray oil with nonionic surfactants for use with a range of pesticides or fertilizer products.

Crop Oil Concentrate can positively affect pesticide spray application and pesticide efficacy by modifying the wetting and deposition characteristics of the spray solution.

Optimum pesticide or fertilizer performance results can be influenced by the crop, spray equipment, spray volume, pressure, droplet size, spray tank mixture and environmental factors.

ENVIRONMENTAL HAZARDS

Not for aquatic use. Do not contaminate water sources by cleaning of equipment or disposal of wastewaters.

KEEP OUT OF REACH OF CHILDREN WARNING

HAZARD STATEMENTS

Causes eye irritation. Causes mild skin irritation.

PRECAUTIONARY STATEMENTS

Wash thoroughly after handling. Wear protective gloves/eye/face protection. Avoid breathing fumes/mist/vapors/spray. IF IN EYES: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. IF ON SKIN: Wash with plenty of soap and water. Take off contaminated clothing before reuse.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal of this product.

Storage: Store at ambient temperature. Store in a closed container. Keep container tightly closed and DO NOT allow water to be introduced to contents of this container. DO NOT reuse this container.

Disposal: Triple pressure rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.acrcycle.org. Dispose of contents/container in accordance with local/national regulations.

IN CASE OF SPILL

In the event of a major spill, fire, or other emergency, call CHEMTRIC at (800) 424-9300.

Crop Oil Concentrate is Manufactured for Aspect Ag, LLC

NET CONTENTS 2.5 GALLON

DIRECTIONS FOR USE

Read and follow the precautions and directions for use on this label and the pesticide it is being applied with.

MIXING: Fill spray tank 2/3 full, add the desired amount of herbicide and continue filling. Add Crop Oil Concentrate last. After filling, continue agitation, unless instructed otherwise by pesticide label. Always follow pesticide label directions, acceptable practices and advice from your crop consultant.

Crop Oil Concentrate may be applied by ground, CDA or aerial equipment. Use Crop Oil Concentrate to allow uniform wetting and deposition.

Ground, Aerial, Low Volume CDA: Use 4 to 8 pints per 100 gallons of spray solution or 0.50% v/v concentration.

NOTE: The above application rate recommendations are considered effective for most uses. Some pesticide label instructions may require higher rates. Always follow the pesticide label instructions and conduct a phytotoxicity trial for use of this product when the pesticide or fertilizer label is void of any information regarding use of a crop oil adjuvant.

NOTICE-READ CAREFULLY

TERMS AND CONDITIONS OF SALE: Buyer and user's receipt of any goods delivered hereunder shall be an unqualified acceptance of and a waiver by buyer and user of any and all claims with respect to such goods, unless buyer or user gives written notice of claim within fifteen (15) days after such receipt. Buyer shall be liable for any shortages of goods delivered hereunder, unless buyer gives seller notice of such shortages of goods within twenty-four (24) hours from receipt of shipment of buyer. Buyer or user assumes all risk and liability from the results obtained by the use of any goods delivered hereunder, or in manufacturing processes of buyer, or in connection with other substances. Neither seller nor manufacturer shall be liable for any claim of any kind, whether in law or in equity, arising out of or connected with the purchase or use of any goods supplied pursuant to this agreement.

LIMITATION OF LIABILITY: In no event shall seller be liable for special, indirect, incidental, or consequential damages, or for damages in their nature or penalties relating to the goods sold. Seller shall not be liable to buyer or user by way of indemnification to customers of buyer. If any, or for any damages or sums of money, claims or demands whatsoever, resulting from or by reason of, or arising out of the misuse, or failure to follow label warnings or instructions for use, of the goods sold by seller. Buyer's or user's exclusive remedy, and seller's total liability shall be for damages not exceeding the cost of the product.

WARRANTY DISCLAIMER: The goods sold to you by this agreement are furnished "as is" by seller, and are subject only to the manufacturer's warranties, if any, which appear on the label of the products. Seller, makes no other warranties, guarantees or representations of any kind to buyer or user, either expressed or implied or by usage of trade, stability or otherwise, with regard to the product sold, including but not limited to merchantability, fitness for a particular purpose, or any implied warranty for any performance traits unique, Inherent, or other unintended consequences may result because of such factors as the presence or absence of other materials used in combination with the goods, or the manner of use or application, or atmospheric conditions, all of which are beyond the control of seller.
