

# Cell Power™

## Max Cal With 12% Calcium 10-0-0 Guaranteed Analysis

Total Nitrogen (N) .....	10.00
0.5% Ammonium Nitrogen	
9.5% Nitrate Nitrogen	
Calcium (Ca).....	12.00%
Magnesium (Mg).....	0.50%
Boron (B) .....	0.30%
Copper (Cu).....	0.025%
0.025% Chelated Copper (Cu)	
Manganese (Mn) .....	0.05%
0.05% Chelated Manganese (Mn)	
Zinc (Zn) .....	0.15%
0.15% Chelated Zinc (Zn)	

Derived from: Ammonium Calcium Nitrate Double Salt, Boric Acid, Copper EDTA, Iron EDTA, Manganese EDTA, Zinc, Magnesium Nitrate. (EDTA is Ethylenediaminetetraacetic acid)

WARNING: This product contains boron (B) and may be harmful to certain crops. Use only according to manufacturer's directions.

### KEEP OUT OF REACH OF CHILDREN WARNING

**Hazard Statements:** Harmful if swallowed. Causes serious eye irritation. Suspected of damaging fertility or the unborn child.

**Precautionary Statements:** Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves and clothing, eye and face protection. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood.

**FIRST AID: If swallowed:** Call a poison control center or doctor if you feel unwell. Rinse mouth. **If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice and/or attention. If exposed or concerned: Get medical advice and/or attention.

## GENERAL INFORMATION

**Cell Power™ MaxCal** is a water soluble concentrated foliar nutritional fertilizer of macro and micro nutrients. It is designated for foliar application and may be applied alone or in tank mixes containing multiple pesticides. However, when use of an unfamiliar mix is made, a compatibility jar test is always recommended. Foliar fertilization is a supplement to a regular fertilizer program and will not supply the total nutrients required by a crop. **Cell Power™ Max Cal** is recommended as a foliar nutrition to be applied to crops where disorders due to insufficient calcium are anticipated.

## DIRECTIONS FOR USE

Dissolve the desired amount of **Cell Power™ Max Cal** in water before adding to the spray tank. With proper agitation, **Cell Power™ Max Cal** can be added into the spray tank with agitation running. Do not store solution mixed with pesticide! Spray immediately after mixing. Add **Cell Power™ Max Cal** to the spray tank before adding pesticides or any other product.

## SUGGESTED USE RATES

All Leafy Vegetables Including All Brassicas: 3-6 pints/acre beginning from three leaf stage of development till about 2 weeks prior to harvest.

All Strawberry and Caneberries: 3-6 pints/acre during every flowering and fruiting cycle. Apply every 10-14 days throughout the growing season as needed.

All Permanent Crops, Including Nuts, Citrus, Grapes and Stone Fruit: 3-6 pints/acre from early bloom through fruit, as required every 10-14 days.

Turf and Horticultural Crops: 3-6 pints/acre during early vegetative growth and thereafter, every 10-14 days throughout the season.

**For higher volume sprays, rate should be adjusted.**

**Caution:** Store **Cell Power™ Max Cal** in temperatures between 41° F to 104° F and avoid extreme variations in temperature. A reversible separation of ingredients may occur after long storage, this however does not affect quality or effectiveness of the product.

## STORAGE AND DISPOSAL

**STORAGE:** Store in original containers only. Keep containers tightly closed when not in use. Store in a cool, dry well-ventilated area, preferably in a locked storage area away from children, feed and food products, and seed. Store at ambient temperatures. Do not contaminate water, food, or feed by storage or disposal.

**DISPOSAL:** Do not reuse container. Plastic: Triple rinse (or equivalent), adding rinse water to spray tank, then offer for recycling at an ACRS site (go to <http://www.aecycle.org/> for locations) or by reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Do not contaminate water, food, or feed by storage or disposal. **HANDLING:** Avoid breathing fertilizer mists. Avoid prolonged or repeated skin contact. Avoid eye contact. Wash hands thoroughly after handling this product.
