

March 2021

CheckMate® Puffer® NOW-O Ace
(EPA Reg. No. 73479-21)

Organic Status

CheckMate® Puffer® NOW-O Ace fully meets the current National Organic Program (NOP) rules as a crop input for organic farming operations. All ingredients contained in CheckMate Puffer OFM-O qualify under the current NOP rules for organic crop production. The active ingredient / pheromone qualifies under the NOP at 7 CFR Part 205.601(f) "as insect management, pheromones." All other ingredients contained in the product are EPA List 4 materials that are allowed as inert ingredients under the NOP as per 7 CFR Part 205.601(m)(1).

CheckMate® Puffer® NOW-O Ace has been reviewed and approved for organic use by the U.S. EPA. The EPA has fully reviewed all ingredients contained in the product and checked them against the current NOP rules. This allows the product label and literature to display the "For Organic Production" logo.

If you have any questions or need further information, please contact your Suterra local representative.

Thank you,

A handwritten signature in blue ink that reads "Ruth Trager".
