

ClearCal®

GUARANTEED ANALYSIS

Calcium (Ca).....6.00%

Derived From: Calcium Chloride

ALSO CONTAINS NON-PLANT FOOD INGREDIENT:

Polyacrylamides.....1.00%

KEEP OUT OF REACH OF CHILDREN

WARNING

Harmful if swallowed. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist.

**F1548
FOR AGRICULTURAL OR COMMERCIAL USE ONLY**

GENERAL INFORMATION

CLEARCAL® is a liquid concentration containing calcium and polyacrylamides. CLEARCAL improves soil structure. CLEARCAL is recommended to increase water penetration and improve irrigation efficiency in the soil. CLEARCAL is recommended in crops where insufficient calcium levels are indicated by laboratory analysis. Rates may vary from 2.5 - 20 gallons per planted acre and may be repeated as necessary depending on desired results. CLEARCAL may be applied as an undiluted spray followed by irrigation or injecting into the irrigation water. CLEARCAL may be applied alone, with other fertilizers, or in tank mixes containing pesticides. **CLEARCAL IS NOT COMPATIBLE WITH FERTILIZERS CONTAINING PHOSPHATE OR SULFATES.** When use of an unfamiliar mix is made a compatibility test is always recommended.

DIRECTIONS FOR USE

Soil must be loose and friable prior to application of CLEARCAL. If crust has formed due to irrigation or rainfall, CLEARCAL will not re-establish soil structure.

GENERAL APPLICATION RATES:

Sprinkler: *Single Application:* 15.0 to 20.0 gallons per acre. *Repeat Applications:* 10.0 gallons per acre

Furrow: Apply 5.0 to 15.0 gallons per acre as required.

Drip: Apply 2.5 gallons per acre undiluted. Higher rates may be used by sufficiently diluting the solution.

FIRST AID

If in eyes: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

FOR A MEDICAL EMERGENCY INVOLVING THIS PRODUCT CALL: 1-866-944-8565.

STORAGE AND DISPOSAL

STORAGE: Shake well before using. Store in original containers only. Keep containers tightly closed when not in use. Store in a cool, dry well-ventilated area, preferably in a locked storage area away from children, feed and food products, and seed. Store at ambient temperatures. Do not contaminate water, food, or feed by storage or disposal.

DISPOSAL: Do not reuse container. Plastic: Triple rinse (or equivalent), adding rinse water to spray tank, then offer for recycling at an ACRC site (go to <http://www.acrecycle.org/> for locations) or by reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Do not contaminate water, food, or feed by storage or disposal.

HANDLING: Avoid breathing fertilizer mists. Avoid prolonged or repeated skin contact. Avoid eye contact. Wash hands thoroughly after handling this product.
