Guaranteed Analysis

	w/w
Total Nitrogen (N).....	3.0%
3.0% Water Soluble Nitrogen	
Soluble Potash (K ₂ O).....	8.0%

Derived from algae extract and plant proteins.

Instructions for use: Apply 1-2 lb. of CytoPower[®] Organic 3-0-8 per acre during early stages of flowering and active growth. Best applied with foliar nutrition sprays. Apply at 10 to 14 day intervals during active stages of growth. Use at least 20 gallons of water per 1 lb. of CytoPower[®] Organic 3-0-8. Please consult with your local agronomist or Mil Agro representative for specific recommendations according to crop.

Warranty Statement: The manufacturer warrants that this product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with the directions under normal conditions of use. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials or the manner of use or application, all of which are beyond the control of the manufacturer. In no case shall the manufacturer be liable for consequential, special or indirect damages resulting from the use or handling of this product. The manufacturer makes no warranties of merchantability or fitness for a particular purpose nor any other express or implied warranty except as stated above.
