**DUPONT™ CLASSIC® HERBICIDE  
PREPLANT APPLICATION IN  
SUGARCANE  
STATE OF LOUISIANA**

FOR DISTRIBUTION AND USE ONLY WITHIN THE STATE OF LOUISIANA

**DUPONT™ CLASSIC® HERBICIDE**

EPA Reg. No. 352-436

**PREPLANT APPLICATION IN SUGARCANE**

EPA SLN No. LA13-0004

This label is valid until January 11, 2024 or until otherwise revised, amended, cancelled or suspended.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Always read this label and the entire label on the product container before using this product.

**FALLOW - PREPLANT TO SUGARCANE**

**Application Rate**

Apply CLASSIC® at 0.5 - 2.0 ounces per acre to fallow fields that will be planted to sugarcane.

**Restrictions**

Do not apply to soils with a pH >7.5.

Do not make more than a single application of CLASSIC per crop per year.

Do not harvest sugarcane for 14 months after the CLASSIC application.

**Timing to Crop**

Make fallow applications of CLASSIC® at least 60 days prior to sugarcane planting. Planting sugarcane fewer than 60-days following an application of CLASSIC® may result in unacceptable crop response.

**Timing to Weeds**

For best weed control including yellow nutsedge and morningglory, applications should be made preemergence to newly prepared seedbeds that are free of clods and vegetation. If weeds are present at time of application, the addition of a burndown herbicide is recommended for improved postemergence control. Observe directions for use and precautions and restrictions on the label of the burndown herbicide.

**IMPORTANT NOTICE:**

**BEFORE BUYING OR USING DUPONT™ CLASSIC®, READ AND FOLLOW ALL APPLICABLE DIRECTIONS, RESTRICTIONS, AND PRECAUTIONS IN THIS SECTION 24(c) LABEL AND ON THE EPA-REGISTERED LABEL.**

This labeling must be in the possession of the user at the time of pesticide application.

This bulletin contains new or supplemental instructions for use of this product which do not appear on the EPA-registered package label. Follow the instructions carefully.

To the extent consistent with applicable law, DuPont will not be responsible for losses or damages resulting from the use of this product in any manner not specifically directed by DuPont. User assumes all risks associated with such non-directed use.

Read the Limitation of Warranty and Liability on the product label before buying or using this product. If terms are not acceptable, return the unopened package at once to Seller for full refund of purchase price paid. Otherwise, use by Buyer or any other User constitutes acceptance of the terms of the Limitation of Warranty and Liability on the product label.
