This supplemental label expires on 12/02/18 and must not be used or distributed after this date.
**FOR CONTROL OF RICE WATER WEEVIL IN RICE
IN THE STATE OF CALIFORNIA**

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Dupont™ CORAGEN® insect control is recommended as a pre-flood, pre-plant broadcast soil application for control of rice water weevil in California rice.

GENERAL INFORMATION

CORAGEN™ is a suspension concentration that can be applied as a pre-flood, pre-plant broadcast soil application for control of rice water weevil in California rice. CORAGEN™ is mixed with water for application.

Crop	Application Method	Target Pest	Lb ai per acre	fluid ounces product per acre	Last Application (Days to Harvest)	REI (Hours)
Rice CA only	SOIL APPLICATION†	Rice water	0.08 - 0.1	6.1 - 7.6		4

USE RESTRICTIONS

† Broadcast application prior to seeding - apply to the soil prior to seeding and prior to flooding in wet-sown rice culture. Do not apply more than 5 days prior to flooding. Once flood is established, hold the water for a minimum of 14 days before discharging the water. Broadcast application may be made using aerial or ground application equipment. Do not apply more than 7.6 fl oz CORAGEN® or 0.1 lb a.i. of chlorantraniliprole containing p[roducts per acre per calendar year. Do not use CORAGEN® treated rice fields for the aquaculture of edible fish or crustacea (including crawfish) during the rice production cycle (planting through harvest).

SOIL APPLICATIONS

CORAGEN® must be applied in a manner that ensures the product is in the root zone. CORAGEN™ must be in the root zone to provide effective control of target pests. CORAGEN® does not readily move in the soil; CORAGEN® will typically move approximately 1 – 3 inches from the site of delivery into the soil.

IMPORTANT

Before using CORAGEN®, read and follow all applicable directions, restrictions and precautions on the EPA Registered label. This bulletin contains new or supplemental instructions for use of this product, which do not appear on the EPA-registered package label. Follow the instructions carefully. This labeling must be in the possession of the user at the time of pesticide application.

Read the Limitations of Warranty and Liability on the Section 3 Federal product label before buying or using this product. If terms are not acceptable, return the unopened package at once to the Seller for full refund of purchase price paid. Otherwise, use by the Buyer or any other User constitutes acceptance of the terms of the Limitation of Warranty and Liability on the Section 3 Federal product label.
