GENERAL INFORMATION

ENCOURAGE OROMATE HA-20 may be applied to most crops. It contains humic acid that may aid in the uptake of micro-nutrients. It also provides potassium to plants with potassium deficiencies. OROMATE HA-20 is suitable for application in all forms of irrigation systems.

DIRECTIONS FOR USE

For best results apply OROMATE HA-20 prior to or tank mixed with your regular soil fertility program. Use in conjunction with organic or mixed fertilizers. When mixing with other liquid fertilizers, test for compatibility with a small quantity in a jar. Repeat applications may be beneficial.

SOIL APPLICATION

ALMONDS & STONEFRUIT:

- 1) Bud Burst: 1 gallon/acre before/tank mixed with regular fertility program
- 2) Stone Hardening: 0.5 gallon/acre
- 3) Post Harvest: 0.5 gallon/acre before/tank mixed with regular fertility program

VINE CROPS:

- 1) Bud Burst: 1 gallon/acre before/tank mixed with regular fertility program
- 2) Flowering: 0.5 gallon/acre
- 3) Post Harvest: 0.5 gallon/acre before/tank mixed with regular fertility program

CITRUS:

- 1) Bud Initiation: 1 gallon/acre before/tank mixed with regular fertility program
- 2) Flowering: 0.5 gallon/acre
- 3) Mid-summer: 0.5 gallon/acre during fruit enlargement

OTHER FRUIT:

- 1) Early Spring: 1 gallon/acre before/tank mixed with regular fertility program
- 2) 6 weeks later/Mid spring: 0.5 gallon/acre
- 3) Mid-summer or Post Harvest: 0.5 gallon/acre before/tank mixed with regular fertility program

POTATOES: 2 gallon/acre prior to or at planting.

Can be injected into bank at planting, onto fertilizer band, sprayed onto soil surface after pre-plant fertilizer broadcast, or injected via irrigation system.

VEGETABLES: 2 gallon/acre prior to or at planting. Can be sprayed onto soil surface after pre-plant fertilizer broadcast, or injected via irrigation system.

FIELD CROPS: Apply 0.5 to 2 gallons/acre. Can be put "down the tube" into seed bed, sprayed onto soil surface, or injected via irrigation system.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry, well-ventilated place out of direct sunlight. Store in original tightly closed container away from children, animals, foods, feeds and seeds. **PRODUCT AND CONTAINER DISPOSAL:** Do not allow this material to drain into sewers/water supplies. Empty containers or liners may retain some product residues. Triple rinse (or equivalent) during mixing and loading. Dispose of contents in accordance with local/regional/national/international regulations.

NOTICE OF WARRANTY

CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES: To be read prior to using this product. The directions should be followed carefully together with good application practice. Failure to do so may cause injury to crops, animals, man or the environment. Extraordinary or unusual weather conditions may affect product performance and/or crop injury which are beyond the control of Oro Agri, Inc. (the "Company") or seller. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the Directions For Use. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Company's election, ONE of the following: 1. Refund of the purchase price paid by buyer or user for product bought. 2. Replacement of the product used. To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The company/seller offer this product and the buyer/user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
