

# ENCOURAGE *FORAGE*

**FOLIAR FERTILIZER FORMULATED TO PROMOTE QUICK AND EFFICIENT ABSORPTION OF NUTRIENTS BY FORAGE OR PASTURE CROPS, MAKING IT HELPFUL FOR STAND IMPROVEMENT, RECOVERY AFTER GRAZING OR CUTTING, OR MITIGATING DROUGHT OR HEAT STRESS.**

## 4-0-1

### GUARANTEED ANALYSIS

Total Nitrogen (N).....	4.00%
4.0% Urea Nitrogen	
Soluble Potash (K <sub>2</sub> O).....	1.00%
Manganese (Mn).....	0.75%
0.75% Water Soluble Manganese	
Molybdenum (Mo).....	1.50%
Zinc (Zn).....	0.80%

Derived from Urea, Potassium Chloride, Manganese Chloride, Sodium Molybdate and Zinc Chloride.

### ALSO CONTAINS NONPLANT FOOD INGREDIENT(S)

#### ACTIVE INGREDIENTS:

1.2%.....	Alcohols, C9-15, ethoxylated (wetting agent)
98.8%.....	Total inert ingredient (as a nonplant food)

**CAUTION:** The application of fertilizing materials containing molybdenum (Mo) may result in forage crops containing levels of molybdenum (Mo) which are toxic to ruminant animals. Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>

## SHAKE WELL BEFORE USE KEEP OUT OF REACH OF CHILDREN DANGER

Combustible liquid. Causes skin irritation. May cause an allergic skin reaction. Causes serious eye damage. Suspected of damaging fertility or the unborn child. Harmful to aquatic life with long lasting effects. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Keep away from flames and hot surfaces-No smoking. Avoid breathing mist or vapor. Wash thoroughly after handling. Contaminated work clothing must not be allowed out of the workplace. Avoid release to the environment. Wear protective gloves. Wear eye protection or face protection.

### FIRST AID

Call a POISON CENTER or doctor/physician if you feel unwell. For Chemical Emergency (spill, leak, fire or accident), call CHEMTREC (800) 424-9300

**IF ON SKIN:** Wash with plenty of water. If skin irritation or rash occurs: Get medical advice/attention. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center/doctor. Take off contaminated clothing and wash before reuse. **IF INHALED:** Move to fresh air. Call a physician if symptoms develop or persist. If swallowed: Rinse mouth. Get medical attention if symptoms occur.

## GENERAL INFORMATION

ENCOURAGE FORAGE is a foliar fertilizer formulated to provide quick and efficient absorption of nutrients by plants during periods of rapid growth or environmental stresses. It is meant as a supplemental nutrient product and will not compensate for nutrient deficiencies in the soil.

## DIRECTIONS FOR USE

Prior to use, read all the directions on this label and on the label(s) of the tank mix partner(s) being used with this product.

This product is a foliar-applied fertilizer that requires sufficient leaf area for effective applications and product performance. It is recommended grass or legume forage be allowed to re-grow after a cutting to provide adequate leaf surface.

- FORAGE can be applied as a foliar spray by air, ground or chemigation methods.
- FORAGE can be tank mixed with most pesticides and nutrients.

## USE RATES

Apply 1–4 quarts per acre of FORAGE in sufficient water volume to give thorough foliar coverage.

## MIXING DIRECTIONS

Thoroughly clean all spray mixing and application equipment prior to and following each use. **Mixing instructions for tank mix partners can supersede the following information (1–5):**

**1.** Fill the spray tank to ½ of the desired water volume and begin agitation; **2.** If applicable, add wettable powders, dry flowables, then liquids; **3.** Add FORAGE; **4.** Fill the spray tank to the final water volume and continue agitation during application; **5.** If mixing for the first time a jar test for compatibility is recommended particularly if fertilizers are being tank mixed.

## APPLICATION PRECAUTIONS

DO NOT mix with or add other surfactants. Applicator should spray and evaluate response for 48 hours prior to widespread usage. May cause staining on handler's apparel and hard surfaces. Test all new tank mixes before widespread use. Do not apply directly to seed. To ensure thorough mixing, it is suggested that you recirculate mini tanks and bulk tanks or shake containers before using. Do not mix FORAGE with undiluted tank mix partners until you have conducted a jar test in a separate container using the proportionate amount of FORAGE to make sure the products are compatible. Agitate and let stand 10 minutes. Settling that does not disperse indicates an incompatible mixture. Do not use on crops or plants that are sensitive to surfactants.

## STORAGE AND DISPOSAL

**STORAGE:** Keep away from open flames, hot surfaces and sources of ignition. Store in a cool, dry, well-ventilated place out of direct sunlight. Store in original tightly closed container away from children, animals, foods, feeds and seeds. **PRODUCT AND CONTAINER DISPOSAL:** Do not allow this material to drain into sewers/water supplies. Empty containers or liners may retain some product residues. Triple rinse (or equivalent) during mixing and loading. Dispose of contents in accordance with local/regional/national/international regulations.

## NOTICE OF WARRANTY

**CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES:** To be read prior to using this product. The directions should be followed carefully together with good application practice. Failure to do so may cause injury to crops, animals, man or the environment. Extraordinary or unusual weather conditions may affect product performance and/or crop injury which are beyond the control of Oro Agri, Inc. (the "Company") or seller. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the Directions For Use. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Company's election, ONE of the following: 1. Refund of the purchase price paid by buyer or user for product bought. 2. Replacement of the product used. To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The company/seller offer this product and the buyer/user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
