

**COMPLEXED NUTRIENT FOR PREVENTION AND CORRECTION
OF MAGNESIUM DEFICIENCY IN CROPS
FOR ORGANIC AND STANDARD CROP PRODUCTION**

GUARANTEED ANALYSIS

Magnesium (Mg)	4.00%
4.00% Water Soluble Magnesium (Mg)	
Sulfur (S)	5.00%
5.00% Combined Sulfur (S)	

Derived from magnesium sulfate.

The complexing agent is lignin sulfonate.

KEEP OUT OF REACH OF CHILDREN

WARNING

May be harmful if swallowed
May be harmful in contact with skin
Causes eye irritation
Causes mild skin irritation
May be harmful if inhaled

WEIGHT PER GALLON: 10.0 lbs. (4.54 kg) @ 68° F SN 102418HAE

FREEZING TEMP: 30°F

NET CONTENTS: ☐ 2.5 gals. (9.46 L)

☐ 265 gals. (1,003.13 L)

Information about the components of this lot of fertilizer and directions for use may be obtained by writing to Helena Agri-Enterprises, LLC, and giving the lot number which is found on the container. PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

May be harmful if swallowed. May be harmful in contact with skin. Causes eye irritation. Causes mild skin irritation. May be harmful if inhaled. Keep product locked up and out of the reach of children. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse. Do not take internally. Avoid contact with or inhalation of spray application mist if present. Do not apply this product in such a manner as to directly expose workers or other persons. If product is being mixed with pesticides and/or spray adjuvants, follow all precautionary statements on the accompanying product(s) labeling. Not for human or animal consumption.

Personal Protective Equipment (PPE): Wear protective eyewear (goggles or face shield), chemical-resistant gloves, long-sleeved shirt and long pants, and shoes plus socks when using this product. Take off any contaminated clothing and wash before reuse.

FIRST AID	
IF IN EYES:	<ul style="list-style-type: none">• Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.• Call a poison control center or doctor for treatment advice.
IF SWALLOWED:	<ul style="list-style-type: none">• Call a POISON CENTER or doctor immediately.• Rinse mouth. Do NOT induce vomiting.• Do not give anything by mouth to an unconscious person.• Immediately call a POISON CENTER or doctor.
IF INHALED:	<ul style="list-style-type: none">• Move person to fresh air and keep at rest in a position comfortable for breathing if they feel unwell.• If not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.

	<ul style="list-style-type: none">• Call a POISON CENTER or doctor for treatment advice.
IF ON SKIN OR HAIR:	<ul style="list-style-type: none">• Take off immediately all contaminated clothing. Rinse skin with water or shower.• Get medical attention if irritation develops or persists.• Wash contaminated clothing before reuse.
HOT LINE NUMBER Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-424-9300 for emergency medical treatment information.	

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in original container only. Keep container tightly closed. Do not allow water to be introduced into the contents of this container. Do not store near heat or open flame. Do not store with oxidizing agents or ammonium nitrate. Keep locked up and out of the reach of children

CONTAINER DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading and add rinse water to spray tank. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

For help in chemical emergencies involving spill, leak, fire or exposure, call toll free 1-800-424-9300.

GENERAL INFORMATION

Foliar fertilization is intended as a supplement to a regular fertilization program and will not, by itself, provide all the nutrients normally required by crops or other intended plants.

ECO-MATE® 4 Mg is a complexed nutrient designed for foliar or soil application. It is recommended for use as an additive in dry or liquid fertilizers and is compatible with most of the herbicides, insecticides and agricultural chemicals that can be utilized in combination with liquid fertilizers. **ECO-MATE® 4 Mg** may not be compatible with some liquid fertilizer formulations. A pre-mix "jar test" is recommended prior to mixing with liquid fertilizers to check compatibility.

ECO-MATE® 4 Mg is an effective pH reduction agent.

NOTE: **ECO-MATE® 4 Mg** cannot be used in liquid fertilizers which contain orthophosphates. **DO NOT MIX WITH CATIONIC PESTICIDES.**

NOTE: When applying this product in a tank mix for Organic Production; make sure that all products in the mix are certified or approved for organic production.

DO NOT APPLY NEAR WATER, STORM DRAINS, OR DRAINAGE DITCHES. DO NOT APPLY IF HEAVY RAIN IS EXPECTED. APPLY THIS PRODUCT ONLY TO YOUR LAWN.

RECOMMENDED CROPS

ECO-MATE® 4 Mg can be applied to the following crops: Vegetables, fruit, row crops, deciduous fruit and nut trees, citrus trees and commercial turf and ornamentals.

APPLICATION AND MIXING GUIDE

Rates and timing of applications are dependent on local conditions and should always be made as a result of soil and/or plant tissue analysis and in conjunction with your local agricultural authority.

FOR USE IN WISCONSIN: **ECO-MATE® 4 Mg** can also be applied to the following crops commonly grown in Wisconsin and requiring a medium to high level of manganese: Barley; Beans, lima, navy; Beet; Broccoli; Brussels sprouts; Cabbage; Canola; Carrots; Cauliflower; Celery; Corn, field, sweet; Cucumber; Lettuce; Oats; Onion; Pasture, bluegrass; Pasture, tall grass; Peas, canning; Peas, chick, field, cow; Potato; Radish; Sod; Sorghum, grain; Sorghum, sudan; Soybean; Spinach; Tomato; Triticale; Wheat.

Use in accordance with recommendations of a qualified individual or institution, such as, but not limited to, a certified crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan.

ECO-MATE® 4 Mg may be applied by ground or aerial application. Use enough water for thorough coverage of foliage or soil. Thorough coverage is necessary for best results and the addition of a nonionic surfactant such as **INDUCE®** is recommended.

MIXING: In any mixing operation, **ECO-MATE® 4 Mg** should be introduced in the following sequence:

1. Water
2. **ECO-MATE® 4 Mg**
3. Other Fertilizers or Pesticides

In mixtures where a compatibility agent is suggested, a product such as **BUFFER® P.S.** is recommended. Local climatic conditions, infestations, and other factors affect the performance of any insecticide, fungicide and nutritional spray. Therefore, for specific use, consult your local Helena Agri-Enterprises, LLC representative or your local agricultural extension agent.

Disclaimer: Always refer to the label on the product before using Helena or any other product.

**CONDITIONS OF SALE—LIMITED WARRANTY
AND LIMITATIONS OF LIABILITY AND REMEDIES**

Read the Conditions of Sale—Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

This label is believed to be reliable and must be followed carefully. Injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Agri-Enterprises, LLC (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Agri-Enterprises, LLC's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
