DIRECTIONS FOR USE

Use information in accordance with Section 2(ee) of FIFRA.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all applicable directions for use, precautions and limitations on the product label attached to the container for EVITO 480 SC FUNGICIDE.

Read and follow applicable directions for use, precautions and limitations on the container label for each of the products listed above. This bulletin should be in the possession of the user at the time of application.

AERIAL APPLICATION

Corn (Field, Sweet and Hybrid Seed Corn*), listed Low Growing Berries, Soybean, Tuberous and Corm Vegetables, and Wheat* only

Aerial applications of Evito 480 SC may be made in spray volumes of 2 or more gallons of water per acre (GPA). Avoid application under conditions when uniform coverage cannot be obtained or when excessive spray drift may occur. Do not apply directly to humans or animals. Aerial applications made to dense canopies may not provide sufficient coverage of lower leaves to provide proper pest control.

*Not approved for use on sweet corn or wheat in California.
