

# FS Barrier™

## Drift Retardant/Deposition Aid

### PRINCIPAL FUNCTIONING AGENTS

Polyvinyl polymer (polyacrylamide).....	30%
Inert ingredients (formulating aid).....	70%
TOTAL.....	100%

All ingredients are exempt from the requirements of a tolerance under CFR 40, 180.1001(c).

**CAUTION: KEEP OUT OF REACH OF CHILDREN. Read PRECAUTIONARY STATEMENTS and MSDS for important information.**

**PRECAUTIONARY STATEMENTS**—Before using this product, read the entire label, including the Disclaimer of Warranties and Limitation of Liability. May be harmful if swallowed, inhaled, or contact is made with skin or eyes. Breathing excessive concentration of vapors can cause dizziness.

**PERSONAL PROTECTIVE EQUIPMENT**—Applicators or other handlers of this chemical must wear: long-sleeved shirt, pants, shoes and socks, chemical-resistant gloves, and splash-proof chemical safety goggles. Consult the MSDS for further information.

### STATEMENT OF PRACTICAL TREATMENT

- If Swallowed:** Give large amounts of water to drink. Do NOT induce vomiting. Seek medical attention immediately.  
**If Inhaled:** Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen.  
**If In Eyes:** Flush with water for 15 minutes. Seek medical attention immediately.  
**If On Skin:** Wash skin contact area with plenty of soap and water for 15 minutes. Seek medical attention if irritation persists.

**GENERAL INFORMATION**—FS Barrier will retard, but cannot totally eliminate, drift hazards due to variations in pesticide usage, application conditions and techniques, as well as sensitive vegetation near the target application area. Minimizing spray drift is the responsibility of the applicator. FS Barrier reduces drift risk and maximizes pesticide performance by binding ultra small spray particles together into larger droplets which are more capable of hitting their intended target.

FOR USE WITH PESTICIDES REGISTERED FOR AGRICULTURAL, FORESTRY, INDUSTRIAL, MUNICIPAL, NON-CROPLAND, ORNAMENTAL, RIGHTS-OF-WAY, TURF AND OTHER APPROPRIATE USES.

**DIRECTIONS FOR USE**—The addition of adjuvants to some pesticides and/or fertilizers and their tank mixes may cause phytotoxicity to the foliage and/or fruit of desirable crops. Before using FS Barrier, the applicator or crops advisor must have experience with the pesticide combination, including FS Barrier, or must have conducted a phytotoxicity test. Excessive use rates of FS Barrier will cause a thickened or stringy solution. Dilution with water and at least 1 hour of continuous recirculation will help correct this condition.

**APPLICATION RATES**—As a general guideline, use 1-4 ounces per 100 gallons of spray solution. Always start with the lower dosage and increase as needed to address specific spray conditions. If spray fines are not eliminated, add additional quantities of FS Barrier in 1-ounce increments until desired results are achieved.

**MIXING INSTRUCTIONS**—Always conduct a jar test first, to ensure compatibility. SHAKE WELL BEFORE USING.

General use tank mixes:

1. Complete normal mixing and filling procedures.
2. Add FS Barrier to the spray solution last at the point of greatest agitation.
3. Continue agitation for at least 3 minutes before spraying and maintain agitation during application.

**STORAGE AND DISPOSAL**—Keep container closed tightly when not in use. Prevent water from being introduced to the contents of this container. Protect product from freezing. Store in original container only and do not reuse empty container. Rinse container thoroughly, disposing of rinsate and the containers in accordance with federal, state and local regulations.

**DISCLAIMER OF WARRANTIES**—THIS PRODUCT IS SOLD AS IS. EXCEPT WHERE PROHIBITED BY LAW, GROWMARK DISCLAIMS ALL STATUTORY OR IMPLIED WARRANTIES, INCLUDING MERCHANTABILITY, NON-INFRINGEMENT, FITNESS FOR A PARTICULAR PURPOSE, AND WARRANTIES AGAINST HIDDEN AND LATENT DEFECTS. WHERE SUCH WARRANTIES CAN NOT BE DISCLAIMED, THEN ALL SUCH WARRANTIES SHALL BE LIMITED TO THE REMEDIES OF REPLACEMENT OR REFUND.

**LIMITATION OF LIABILITY**—Except to the extent prohibited by applicable law, GROWMARK shall not be liable for indirect, special, incidental or consequential damages arising from the sale or use of this product, including any lost revenues or profits, consequential and/or incidental damages, business interruption or damage to business reputation, regardless of the theory upon which any claim may be based. GROWMARK's entire liability to the purchaser shall not exceed the purchase price actually paid by the purchaser.
