

FertiCare® MegaCoat

A liquid micronutrient coating for granular fertilizer with PAC** chelation technology

GUARANTEED ANALYSIS:

Boron (B)	0.5%
Copper (Cu)	1.0%
1.0% Chelated Copper	
Manganese (Mn)	2.0%
2.0% Chelated Manganese	
Molybdenum (Mo)	0.05%
Zinc (Zn)	6.0%
6.0% Chelated Zinc	

Derived from boric acid, copper sulfate, manganese sulfate, sodium molybdate and zinc oxide chelated with PolyAldoCarbosate*

For use as a micronutrient coating product for applications to granular fertilizer to supplement zinc, manganese, boron, molybdenum and copper levels on agricultural crops.

PAC refers to NutriAg's "PolyAldoCarbosate*" Technology

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>.

DIRECTIONS FOR USE (Use only as Directed):

- FertiCare MegaCoat should be used on the basis of soil and/or leaf analysis. The user should seek the advice of an agricultural representative or a professional agricultural consultant prior to use.
- This product may be used as a coating on all fertilizer blends (including urea or urea blends).
- Apply 1-4 qt of FertiCare MegaCoat per ton of fertilizer.
- Do not exceed 2 qt/ton if applying FertiCare MegaCoat to urea. Higher application rates could lead to melting, cracking or reduced efficacy.
- To apply, pour the required rate on to the fertilizer as it is being blended. Allow the product to mix thoroughly with the blend for several minutes. Do not mix in a concentrated form with other fertilizers or pesticides.
- Consult a NutriAg representative for specific crop recommendations, application timings and necessity of its use.

SUGGESTED RATES

APPLICATION TYPE: Applied with granular fertilizer

APPLICATION RATE (ALL CROPS): 1-4 US quarts per ton of granular fertilizer

MAXIMUM NUMBER OF APPLICATIONS PER SEASON: 3

ATTENTION: This fertilizing material contains boron (B). The use of this fertilizing material on any crops other than those recommended may result in serious injury to crop(s).

ATTENTION: This product contains molybdenum (Mo). The application of fertilizing materials containing molybdenum (Mo) may result in forage crops containing levels of molybdenum (Mo) which are toxic to ruminant animals.

DO NOT FREEZE.

KEEP OUT OF REACH OF CHILDREN.

Warranty Statement: Sellers guarantee shall be limited to the terms set out on the label. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on this condition. NutriAg warrants that the product conforms to the chemical description on the label and is reasonably fit for purposes stated on such label only when used in accordance with directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product such as weather conditions, presence of other materials or the manner of use or application, all of which are beyond the control of NutriAg. NutriAg is not liable for consequential, special or indirect damages resulting from the use of or handling of this product. All such risks shall be assumed by the buyer.
