

GUARANTEED ANALYSIS

Soluble Potash (K₂O).....24.00%

DERIVED FROM: Potassium Acetate.

KEEP OUT OF REACH OF CHILDREN PRECAUTION

Do not ingest. Avoid breathing dust, vapor or mist. Avoid contact with eyes, skin or clothing. Wash hands and affected areas thoroughly with soap and water after handling.

FIRST AID

IF SWALLOWED: Rinse mouth. Call a doctor or poison control center if symptoms occur or you feel unwell. **IF INHALED:** Move person to fresh air and keep comfortable for breathing. Call a doctor or poison control center if symptoms occur or you feel unwell. **IF IN EYES:** Rinse with water for several minutes. Remove contact lenses, if present, then continue rinsing. Call a doctor or get medical attention if irritation occurs and persists. **IF ON SKIN:** Wash off with soap and water. Call a doctor or get medical attention if irritation occurs and persists.

For chemical spills, leaks, fire or exposure, call CHEMTREC: (800) 424-9300 or Poison Control Center: (800) 222-1222.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Store in a safe manner. Store in original container only and keep tightly sealed when not in use. Dispose of unused product and empty containers in accordance with federal, state and local regulations.

GENERAL INFORMATION

FOLI-GRO® KILO® is designed primarily for foliar applications to prevent or correct potassium deficiencies in a wide range of agronomic and ornamental plants. Application of FOLI-GRO KILO is a means of obtaining a quick response to needed potassium. Foliar applications of FOLI-GRO KILO may be particularly beneficial during periods of peak nutrient demand, for crops growing on soils having poor nutrient availability or to crops suffering from a weakened root system.

FOLI-GRO KILO should be used as part of a comprehensive Total Nutrition System® for optimizing soil/nutrient conditions for plant growth, development, yield and quality.

DIRECTIONS FOR USE

FOLI-GRO KILO may be applied as a foliar spray by air or by ground. Maintain agitation to provide uniform distribution within the spray tank. Use of a high quality Wilbur-Ellis adjuvant at recommended rates is usually advised for optimizing product performance. Do not apply when plants are under excessive heat or moisture stress.

Applications of foliar nutrients to leafy vegetables or soft-skinned fruit during periods of excessive temperatures may cause cosmetic injury. It is advised that FOLI-GRO KILO be diluted with water at no less than 2 parts water to 1 part FOLI-GRO KILO.

Timing of treatments should be based on crop nutrient demand, prevailing environmental conditions, plant tissue analysis data or other information that indicates a need for fast-acting, supplemental potassium.

FIELD AND ROW CROPS: Apply 0.5-5 gallons per acre as a foliar or fertigation, multiple applications can be helpful. Apply 1-12 quarts per acre at planting with in-furrow starter. Before application, consider the total salt index and soil type for the rate of fertilizer application.

VEGETABLE CROPS: Apply 1-5 quarts per acre for most vegetable crops. Rates as high as 3 gallons per acre may be used on crucifers.

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.html>

DECIDUOUS FRUIT AND NUT CROPS: Apply 1-2.5 gallons per acre from bud swell to early bloom and 1-4 gallons per acre post-bloom. Rates as high as 5 gallons per acre may be used post-harvest to leaf senescence.

CITRUS: Apply 1-10 gallons per acre as needed. It is advised that for citrus applications, FOLI-GRO KILO be diluted with water at no less than 10 parts water to 1 part FOLI-GRO KILO.

GRAPES: Apply 1-2 gallons per acre as needed. Rates as high as 5 gallons per acre may be used post-harvest to leaf senescence.

OLIVES: Apply 1-3 gallons per acre as needed.

COMPATIBILITY

FOLI-GRO KILO is compatible with many co-applied nutrient sources as well as plant protection products. Always jar test new combinations for compatibility prior to field mixing.

Conditions of Sale and Limitation of Warranty and Liability:

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of the product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS," AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Buyer and User accept all risks arising from any use of this product, including without limitation uses contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.

To the extent permitted by law, neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
