LIQUID BORON AND CONTROLLED RELEASE NITROGEN FERTILIZER

GUARANTEED ANALYSIS

Total Nitrogen (N)	12.00%
6.0% Urea Nitrogen	
6.0% Other Water Soluble Nitrogen*	
Boron (B)	5.00%

Derived from boric acid, urea, methylene diurea and methylene ureas.
*6.0% Slowly Available Nitrogen from methylene diurea and methylene ureas.

KEEP OUT OF REACH OF CHILDREN

WARNING

May be harmful if swallowed
May be harmful in contact with skin
Causes serious eye irritation
Causes mild skin irritation
May be harmful if inhaled

WEIGHT PER GALLON: 10.57 lbs (4.79 kg) @ 68° F SN 093019/1120HAE

IF IN EYES:	<ul style="list-style-type: none">Rinse cautiously with water for several minutes.Remove contact lenses, if present and easy to do. Continue rinsing.Immediately call a poison center/doctor.
IF ON SKIN:	<ul style="list-style-type: none">Remove contaminated clothing and wash skin with soap and water.If skin irritation occurs, get medical advice/attention.
IF INHALED:	<ul style="list-style-type: none">Call a poison center or doctor if you feel unwell.

STORAGE AND DISPOSAL

Keep container tightly closed. May be stored in unheated area, but keep from freezing. Do not contaminate water sources by cleaning of equipment or disposal of rinse-water. Dispose of empty containers by triple rinsing (or equivalent) with water and pouring rinsate into spray tank. Recycle rinsed containers whenever possible or puncture and discard empty containers in a landfill in accordance with current local, state, International and federal regulations.

GENERAL INFORMATION

0.63 lbs/gal of Nitrogen, out of 1.25 lbs/gal of the total Nitrogen in this product, is controlled release. This product is recommended for use as a supplement to a well balanced fertilizer program only. **FULL BOR®** is intended as a supplement to a regular fertilizer program and will not, by itself provide all the nutrients normally required by agricultural crops. However, it can improve the general plant condition by providing safe, effective foliar Boron and slowly available Nitrogen.

PRECAUTION: Use of this product in accordance with label directions is not expected to adversely affect normal vegetative and/or reproductive growth in most situations. However, various environmental and agronomic factors, such as crop stress associated with high temperatures and/or dry conditions, make it impossible to eliminate all risks associated with the use of the product; therefore, crop injury is always possible. The user assumes all risks of use and handling. In an effort to reduce the risk of crop injury, apply early morning or late evening.

GENERAL RECOMMENDATIONS

FULL BOR® may be applied by air, ground, or through irrigation systems. Use enough water for thorough, uniform coverage of foliage. **FULL BOR®** is compatible with most pesticides and other fertilizers, but a "jar test" is recommended for unfamiliar tank mixes to ensure compatibility.

Foliar Application: Cotton, vegetables, cereal grains, peanuts and other crops. Apply 4-20 ounces per acre (oz./acre) or as recommended by your local agricultural authority. Repeat as necessary.

STORAGE AND BLENDING INSTRUCTIONS

Store unblended material in closed container between 35°F and 90°F. Do not store in unmarked containers. Dilute with water and blend with other nutrients and pesticides only at the time of application and in the amounts required.

TANK MIXING

Add 1/2 total water to the tank.
Turn on the recirculation line.
Add prescribed amount of **FULL BOR®** to tank.
Add any soluble powders.
Add liquid flowable materials.
Bring water to volume and recirculate before spraying.

CONDITIONS OF SALE—LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale—Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

This label is believed to be reliable and must be followed carefully. Injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Agri-Enterprises, LLC (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Agri-Enterprises, LLC's election, one of the following:

- Refund of the purchase price paid by buyer or user for product bought, or
- Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
