

GROW-PLEX ORG LC™

WITH HUMIC ACID DERIVED FROM MENEFEЕ HUMATE®

Has excellent tank mix flexibility due to its formulation and neutral pH

CONTAINS NON-PLANT FOOD INGREDIENT

0.25% Humic acid derived from MENEFEЕ HUMATE

Density: 8.39 lbs. per gallon at 68°F.

pH 6.2

DIRECTIONS FOR USE

This product is not considered hazardous under the Globally Harmonized System (GHS regulations).

AGRICULTURE

Soil Applications

In-furrow: apply 1–2 gal/acre (4–8 liters) of GROW-PLEX ORG LC™.

Drip-irrigation: apply 1–2 gal/acre (4–8 liters) of GROW-PLEX ORG LC™. Dissolve in sufficient water to provide uniform application and then add liquid fertilizer or other tank mix partners. See instructions on this label (Preparing Tank Mix Solutions). Apply banded, in-furrow, side-dressed, or through flood, furrow or drip irrigation.

Foliar Applications

Apply 1/2–1 gal/acre (2–4 liters) of GROW-PLEX ORG LC™ per application with fertilizer using sufficient water for uniform coverage of the crop. See instructions on this label (Preparing Tank Mix Solutions).

STORAGE

Always replace the lid tightly after use. Store in a dry place in the original container.

PREPARING TANK MIX SOLUTIONS

Thoroughly clean all spray mixing and application equipment prior to and following each use.

Unless directed by the mixing instructions on the product label being used with GROW-PLEX ORG LC™ follow these procedures:

1. Add the desired amount of water if required to the tank and begin agitation. Add GROW-PLEX ORG LC™ at a rate of 4 oz per gallon of water and agitate until totally dissolved into a liquid concentrate. If needed you can add a soil penetrant to the tank mix.

2. Add liquid fertilizer. Do not mix GROW-PLEX ORG LC™ directly with undiluted tank mix partners until you have “jar tested” in a separate container the proportionate amount of GROW-PLEX ORG LC™ to make sure the products are compatible prior to tank mixing. Agitate and let stand 10 minutes.
3. Continue filling while agitating until all added products are thoroughly mixed into spray solution.

⚠ WARNING: This product can expose you to chemicals including cadmium which are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov
