PRODUCT INFORMATION

Garland® has a direct effect against these listed targets because of its mode of action (suffocation and repellence). Garland® is a 100% biodegradable formulation, not affecting crop properties (smell, taste, etc) after application.

DIRECTIONS FOR USE AND APPLICATION

Garland® can be used at any time during the growing season. Foliar applications for pest control are recommended. Repeat applications at every 5-7 days as necessary if pressure conditions remain to maintain desired level of control.

To maximize efficacy, ensure a good and homogenous coverage of all treated areas.

Use as directed. Avoid direct contact pollinators during application. If applied during the flowering period of the crop, treat during periods of low foraging activity to minimize adverse effects.

CROPS

Garland® can be used on crops, fruits, vegetables, ornamentals, and garden plants. It can be applied for both indoor (greenhouses included) and outdoor.

TARGET	DOSE
Mite, Red mite, White fly, Thrip, Aphid	Foliar application: 32 - 64 fl. oz./100 gallons of water

STORAGE AND DISPOSAL

Do not contaminate ponds, waterways, ditches and food or feed by storage or disposal. Keep away from heat, sparks and open flame. Store in a cool, dry, well-ventilated place out of direct sunlight. Store in original tightly closed container away from children, animals, foods, feeds and seeds. Dispose of contents/container in accordance with local / regional / national / international regulations. PRODUCT DISPOSAL: Collect and reclaim or dispose in sealed containers at licensed waste disposal site. CONTAINER DISPOSAL: Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal.

NOTICE OF WARRANTY

CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES: To be read prior to using this product. The directions should be followed carefully together with good application practices. Failure to do so may cause injury to crops, animals, man or the environment. Extraordinary or unusual weather conditions may affect product performance and/or crop injury which are beyond the control of Oro Agri, Inc. (the "Company") or seller. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the Directions For Use. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Company's election, ONE of the following: 1. Refund of the purchase price paid by buyer or user for product bought. 2. Replacement of the product used. To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The company/seller offer this product and the buyer/user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
