gauGe™

Alltech®
CROP SCIENCE

DIRECTIONS FOR USE

Apply GAUGE at 42 oz per acre, per application. Dilute in a minimum of 10 gal of water. This product is intended as a supplement to a regular fertilization program and may not, by itself, provide all the nutrients normally required by plants. When tank mixed with other chemicals compatibility testing should be conducted prior to application.

*Based on plant
nutrigenomic research*

SHAKE WELL BEFORE USE

WARNING: Harmful if swallowed. Harmful if inhaled. Avoid breathing mist. Wash hands thoroughly after handling. Collect spillage. Do not eat, drink, or smoke when using this product. **IF SWALLOWED:** Call a POISON CENTER or doctor if you feel unwell. Dispose of contents/container to a licensed hazardous-waste disposal contractor or collection site except for empty clean containers which can be disposed of as non-hazardous waste. Do not apply directly to or near water, storm drains, gutters, sewers, or drainage. **KEEP OUT OF REACH OF CHILDREN**

STORAGE: Keep container tightly sealed when not in use. Store in a cool, dry place between 34° and 100° F. Do not store in direct sunlight. Do not store diluted product.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.htm>
