PRECAUTIONARY STATEMENTS

Wash thoroughly after handling.
Wear protective gloves, eye,
and face protection.

Do not eat, drink or smoke
when using this product.

Call a POISON CENTER or
doctor/physician if you feel
unwell.

IF IN EYES: Rinse continuously
with water for several minutes.
Remove contact lenses if
present and easy to do; continue
rinsing. If eye irritation persists,
get medical advice/attention.

IF ON SKIN: Wash with plenty
of soap and water. Take off
contaminated clothing and
wash before reuse.

See back label for more First
Aid statements.

FIRST AID

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing and wash before reuse. Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Storage: Store in a dry place. Store in a closed container. Store between 40°F and 120°F. Store away from heat or open flame and oxidizing materials.

Disposal: Wastes resulting from this product may be disposed of on site or at an approved waste disposal facility. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.acrecycle.org. Dispose of contents/container in accordance with local/national regulations.

NOT FOR AQUATIC USE

GENERAL INFORMATION

Genesis 90 is a water-soluble nonionic surfactant containing a defoaming agent. Genesis 90 is designed for use in certain agricultural and horticultural sprays.

DIRECTIONS FOR USE

Genesis 90 is a nonionic surfactant formulated for use with pesticides that are labeled for agricultural, forestry, non-cropland, ornamental and right-of-way uses. Not for aquatic use.

AMOUNT OF GENESIS 90 TO ADD PER 100 GALLONS OF SPRAY MIX:

Livestock Sprays.....	0.25 to 0.5 pint
Insecticides, Miticides, Fungicides, Fertilizers and Micronutrients.....	0.25 to 2 pints
Herbicides.....	1 to 4 pints
Defoliants, Desiccants, and Glyphosate Formulations Without Added Surfactants.....	1 to 8 pints

Notice-Read Carefully

TERMS AND CONDITIONS OF SALE Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability of fitness for a particular purpose, expressed or implied, extends to the use, storage or handling of the product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use. These risks include, but are not limited to damage of plants, crops and animals to which the materials are applied, failure to control pests, damage caused by drift to other plants or crops and personal injury.
