FIRST AID

IF SWALLOWED Wash out mouth thoroughly with water. Get medical attention. Contact a Poison Control Center. Do not induce vomiting.

IF ON SKIN Immediately flush with plenty of water while removing contaminated clothing. As soon as soap is available, wash thoroughly with soap and water. Wash clothing before reuse.

IF INHALED Remove to fresh air if breathing is difficult. Give oxygen and call a physician.

IF IN EYES Immediately flush with plenty of water for at least 15 minutes. Get medical Attention.

ENVIRONMENTAL HAZARDS

Do not contaminate water by cleaning of equipment or disposal of wastes, use this product only as specified on label. Not for aquatic use.

DIRECTIONS FOR USE USE THIS PRODUCT ONLY AS SPECIFIED ON LABEL. Use Rate: As a water conditioner: 1 pint to 1 quart per 100 gallons of spray solution. As a water conditioner plus surfactant: 1 quart to 2 quarts per 100 gallons of spray solution. As a water conditioner, surfactant, and herbicide activator: 1 quart to 3 quarts per 100 gallons of spray solution. GlyLoad™ adjuvant should be added to the spray water with adequate agitation prior to the addition of glyphosate, glufosinate, paraquat or acid formulated herbicides. Fill the tank half full, add GlyLoad,™ finish filling, then add the recommended amount of herbicide. If tank mixing with other components conduct a jar test to ensure compatibility. The addition of an adjuvant such as GlyLoad™ to some herbicides or tank mixes might cause phytotoxicity. Users should have experience or conduct a phytotoxicity trial before using Glyload in a cropping situation. NOT FOR AQUATIC USE.

STORAGE AND DISPOSAL

DO NOT CONTAMINATE WATER, FOOD OF FEED BY STORAGE OR DISPOSAL.

STORAGE: Do not store at temperatures above 140°F.

DISPOSAL: Triple rinse container and pour rinsate into spray tank. Do not reuse container. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.acrecycle.org. Dispose of contents/container in accordance with local/national regulations.
