GoalTender[®]

EPA Reg. No. 62719-447

Tank Mixtures for Use on Onion (Dry Bulb)

(For Distribution and Use Only in the states of Arizona, California, Idaho, Oregon, New Mexico, Nevada, Utah, Washington)

ATTENTION

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- This labeling must be in the possession of the user at the time of application.
- Read the label affixed to the container for GoalTender[®] herbicide before applying. Carefully follow all precautionary statements and applicable use directions.
- Use of GoalTender according to this supplemental labeling is subject to all use precautions and limitations imposed by the label affixed to the container for GoalTender.

Directions for Use

Refer to the product label for General Use Precautions, Mixing and Application instructions, and a complete list of weeds controlled or suppressed.

Tank Mixtures with GoalTender:

Tank mixtures of GoalTender herbicide with oils, surfactants, liquid fertilizers or other pesticides may be made but could result in enhanced crop response/injury and are the responsibility of the user.

Important: Read and observe all label directions before using. When tank mixing, read and carefully follow all applicable use directions, precautions, and restrictions on the respective product labels. In interpreting all labels for the tank mixture, the most restrictive situations must apply.
