## General Information

GreenFurrow Humic Acid 12% may be applied to most crops. GreenFurrow Humic Acid is readily dispersed in most fertilizer or micronutrient products. Avoid using this product with acids and oxidizers. This product may be applied through various irrigation water systems.

This product is a weak alkaline solution and could alter the pH of certain solutions. A weak acid may be used to reduce the pH of the spray solution.

## DIRECTIONS FOR USE

### FOLIAR APPLICATIONS

Apply 1-3 quarts per acre with sufficient water for best coverage. This product can be aerial or ground applied. This product is a weak alkaline salt and may be neutralized with a buffer. High rates of this product in combinations with high rate of other materials may cause burn.

### SOIL APPLICATIONS

Apply 1-12 quarts per acre with fertilizer or water. This product may require agitation when mixed in concentrated phosphate fertilizer such as 10-34-0. For best compatibility results follow this sequence of mixing:

1. Water
2. Humic Acid
3. Fertilizer

**WARNING:** This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

Use in accordance with recommendations of qualified individual or institution such as, but not limited to, a certain crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan. When tank mixing other products, "Jar Test" proportionally mixed components to confirm compatibility.

## CONDITIONS OF SALE AND WARRANTY

Mar Vista Resources, LLC (Seller) warrants that the chemical composition of this product conforms to the chemical description given on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. No one is authorized to make any other warranty, guarantee or directions concerning this product, and no such warranties, guarantees or directions shall be valid or binding upon Seller. Timing, rate and method of application, weather and crop conditions, mixtures with chemicals not specifically recommended on this label or an accompanying written recommendation, are beyond the control of Seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. In no case shall Seller be liable for consequential, special, indirect, or incidental damages or losses resulting from the handling or use of this product. The foregoing is a condition, of sale by Seller and is accepted as such by the buyer. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at buyer's option, as full discharge of Seller's liability.
