Please Recycle

Provides similar benefits of fish fertilizer without animal proteins or related odor and risk of contamination. Suitable for all plants grown in the greenhouse, landscape, commercial agriculture, and garden. Can be applied to fruit, nut, and ornamental trees, shrubs, vines, small fruits, vegetables, and landscape plants.

MIX WELL BEFORE USE: Prepare mix for one application only. Do not store diluted product and do not store above 120 degrees F. Materials need to be maintained by agitating every 4-6 weeks or as needed to prevent settling. Storage for more than 12 months is not recommended. Mix well before product transfer and use, and after adding to water. Use 2-4 fl.oz. per gallon for small areas or 1-3 gallons per acre when plants are actively growing or as needed based on your nutrient management program as determined from soil and tissue analysis for your specific crop.

LIMITED WARRANTY

The seller hereby represents and warrants that the fertilizer shall be manufactured and shipped to purchaser in a form suitable for application to plants, trees, and other agricultural crops; and, hereby represents and warrants further that the fertilizer product shall meet the guaranteed minimum analysis as set forth on the product's label. However, buyer assumes all responsibility for safety and use not in accordance with directions.
