

Grower's Secret **Commercial**

GROWER'S SECRET LIQUID NITROGEN 8-0-0

WATER SOLUBLE NITROGEN FOR PLANT CULTIVATION

Plant Nutrient for soil and foliar application in Agriculture and Horticulture

Grower's Secret Liquid Nitrogen 8-0-0 (GSN8) is a vegetable protein based product.

GSN8 can be applied by ground or air applications or through irrigation to prevent or correct nitrogen deficiencies that could limit growth and yields. GSN8 is nontoxic to plants when applied as directed. For best results, apply GSN8 according to recommendations based on plant or soil analysis for a given crop.

Derived from plant protein hydrolysate

- 100% water soluble
- Can be used as a foliar spray or through irrigation
- Helps chelate other nutrients
- Supports plant health and microbial activity

FREQUENTLY ASKED QUESTIONS:

- What is GSN8 made from? [Soy protein hydrolysate and fermented molasses.](#)
- How can GSN8 be applied? [GSN8 can be applied through foliar sprays and all forms of irrigation.](#)
- Can GSN8 be applied during all stages of crop growth? [Yes, follow local or established nutrient recommendations for a given crop. It is best to apply any nutrient or fertilizer based on recent analytical results from your field](#)
- What is the shelf life of GSN8? [The shelf life of GSN8 in the unopened container is 2 years when stored away from extreme environmental conditions](#)
- What is GSN8 availability? [GSN8 is available in 55 and 250 gallon containers](#)
