EPA Registration Number 70506-174 EPA SLN No. NY-080002

"Day After Application" Swimming Restriction

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Use HYDROTHOL Granular to control submersed aquatic weeds named on the label in irrigation and drainage canals, ponds and lakes.

In order to allow for sufficient mixing of this product after application to bodies of water, swimming in the treated area is restricted until the day after application.

For First Aid and other Precautionary Statements, see the label attached to the container.

All applicable directions, restrictions and precautions on the EPA-registered label are to be followed.

NOTE: This labeling must be in the possession of the user at the time of application.
