KEEP OUT OF REACH OF CHILDREN CAUTION

- This Supplemental Labeling must be in the possession of the user at the time of application.
- Follow all applicable directions, restrictions and precautions on the EPA-registered label.
- It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Before using IAP Dusting Sulfur in accordance to this Supplemental Label, read and follow all applicable directions, restrictions, and precautions on the package label. This Supplemental Labeling contains revised Use Precautions that are different from those that appear on the package label.

DIRECTIONS FOR USE

USE PRECAUTIONS

Do not make applications [of this product] within 2 weeks of an oil spray unless specified otherwise, for the individual crop, in the CROPS AND APPLICATION RATES sections (see Citrus). Sulfur may burn foliage and fruit on sensitive varieties if applied when temperatures exceed 90°F or during periods when the temperatures within 3 days after application are expected to exceed 90°F in the treated area.
