

# INTEGRITY™ K

## 0-0-24

### GENERAL DESCRIPTION:

INTEGRITY K 0-0-24 is designed and formulated for both foliar applications and soil applications on all crops to prevent or correct potassium nutrient deficiencies that may limit crop growth as well as crop quality and yields. INTEGRITY K 0-0-24 has been formulated for rapid uptake of potassium for all crops.

INTEGRITY K 0-0-24 may be applied alone or with other fertilizers or pesticides. It is compatible with most pesticides and fertilizers, however a compatibility test is always recommended. For best results, apply INTEGRITY K 0-0-24 according to recommendations based on plant tissue and or soil analysis.

### CAUTION:

**KEEP OUT OF REACH OF CHILDREN  
KEEP OUT OF DIRECT SUNLIGHT &  
HEAT**

Keep out of direct sunlight and temperatures over 105 deg F. Fill the mix tank at least 3/4 full with water with agitators running before blending materials.

### GUARANTEED ANALYSIS:

Soluble Potash (K<sub>2</sub>O) 24.0%

Derived from potassium acetate

Manufactured By:
