

Safety Data Sheet

Report Date 1-July-15

Page 1 of 4

1. Identification

Product Name : Iron Humic Plus
Synonyms : None
Product Use : Fertilizer
Manufacturer/Supplier : Marion Ag Service, Inc.
Address : 18745 Butteville Rd. Aurora, Or. 97002
General Information : 503-633-4281
Transportation Emergency Number : INFOTRAC 1-800-535-5053

2. Hazard Identification

Signal Word : None required
Skin Irritation : Not hazardous
Eye Irritation : Not hazardous
Acute Toxicity Oral : No data available
Acute Toxicity Dermal : No data available

Hazard Categories : Not hazardous

Hazard Statement : Not Hazardous

3. Composition / Information on Ingredients

| Component | CAS Number | Weight % |
|-------------|-------------|----------|
| Iron Humate | Proprietary | 99-100 |

4. First Aid Measures

Eye : Flush eyes with water, while holding the eyelids apart. Get medical attention if irritation occurs.
Skin : Wash skin thoroughly with soap and water. Get medical attention if irritation develops. Remove and launder clothing before reuse.
Inhalation : Remove victim to fresh air. Get medical attention if breathing difficulties develop.
Ingestion : Do not induce vomiting. Rinse mouth with water and give one glass of water to drink. Get medical attention if irritation or symptoms develop.
Indication of Immediate Medical Attention and Special Treatment Needed : Immediate medical attention is not required.

5. Fire Fighting Measures

Extinguishing Media : Use extinguishing media appropriate for surrounding fire. Cool fire exposed containers and structures with water.
Specific Hazards Arising from the Chemical : None known. Hazardous decomposition materials include oxides of carbon and sulfur and unknown materials.
Special Fire Fight Proc : Wear self-contained breathing apparatus and full protective equipment for all fires involving chemicals. Aqueous solutions may cause surfaces to be extremely slippery and cause a slip hazard.

6. Accidental Release Measures

Safety Data Sheet

Report Date 1-July-15

Page 2 of 4

- Personal Precautions** : Evacuate spill area and keep unprotected personnel away. Prevent contact with eyes, skin and clothing. Ventilate area. Wear appropriate protective clothing.
- Protective Equipment** : Impervious rubber or plastic gloves, chemical safety glasses, impervious coveralls, apron and boots. Respiratory protection is not normally needed. A safety shower and eyewash station should be available.
- Emergency Procedures** : Keep non-essential personnel away and isolate spill area. Prevent spill from entering sewers and water courses.
- Methods and Materials for Containment and Cleanup** : Carefully shovel or sweep up spilled material and place in appropriate container. Avoid generating dust.

7. Handling and Storage

- Precautions for Safe Handling** : Prevent contact with eyes, skin and clothing. Do not breathe dust. Wear appropriate protective clothing and equipment. Use with adequate ventilation. Wash thoroughly with soap and water after handling. Keep containers closed when not in use. Do not reuse containers. Empty containers retain product residues which can be hazardous.
- Conditions for Safe Storage** : Store in a cool, dry, well-ventilated area away from bases and other incompatible materials. Keep container tightly closed. Protect from physical damage.

8. Exposure Controls / Personal Protection

- TLV/PEL** : Iron Humate - 15 mg/m³ TWA (total dust), 5 mg/m³ TWA (respirable fraction) OSHA PEL. Hydrocarbon based coating - 5 mg/m³ TWA (OSHA PEL, ACGIH TLV)
- Appropriate Engineering Controls** : Use with adequate general or local exhaust ventilation.
- Personal Protective Equipment** : Impervious rubber or plastic gloves, chemical safety glasses, impervious coveralls, apron and boots. Respiratory protection is not normally needed. A safety shower and eyewash station should be available.

9. Physical and Chemical Properties

- Odor/Appearance** : Dark brown, coated granule with no odor.
- Flash Point, °F** : >300 Degrees F. (coating)
- Boiling Point, °F** : Not determined
- Melting Point(Freezing point), °C** : 572 Degrees F.
- Vapor Pressure, mm Hg @ 20 °C** : Not determined
- Vapor Density** : Not determined
- Solubility in Water** : Insoluble
- Molecular Formula** : Not applicable, formulated mixture.
- Density, g/mL @ 25 °C** : 0.064
- Evaporation Rate(Butyl Acetate = 1)** : Not determined
- Octanol/Water Partition Coefficient** : Not determined
- pH** : 3-4 (iron humate)
- Flammable Limits (approximate volume % in air)** : Not applicable
- Auto-ignition Temperature** : Not applicable
- Decomposition temperature** : Not determined

10. Stability and Reactivity

Safety Data Sheet

Report Date 1-July-15

Page 3 of 4

Reactivity : Not normally reactive.
Chemical Stability : Stable
Hazardous Decomposition Products : Decomposition may release oxides of carbon and sulfur and unknown materials.
Hazardous Polymerization : Will not occur
Conditions to Avoid : None known
Incompatible Materials : Strong bases, strong oxidizing agents and alkalis.

11. Toxicological Information

Acute Toxicity (Oral LD50) : No data available
Acute Toxicity (Dermal LD50) : No data available
Acute Toxicity Inhalation LC50 : No data available
Likely Routes of Exposure : Skin and eyes
Skin Irritation : May cause slight irritation following prolonged contact with skin.
Eye Irritation : May cause slight irritation with redness and tearing.
Skin Sensitization : This material is not known to cause sensitization.
Carcinogenic : Not listed by IARC, NTP or OSHA.
Chronic Effects : None known
Other Hazards : None known

12. Ecological Information

Ecotoxicity : No data available.
Persistence and Degradability : No data available.
Bioaccumulative Potential : No data available.
Mobility in Soil : No data available.
Other Adverse Effects : None known.

13. Disposal Considerations

Waste Disposal Method : This material must be disposed of according to Federal, State or Local procedures under the Resource Conservation and Recovery Act.

14. Transport Information

UN Proper Shipping Name : Not regulated by DOT, IATA or IMDG.
Transport Hazard Class : None
UN Identification Number : None
Packaging Group : None
Environmental Hazards : No information found
Transport in Bulk : No information found
Special Precautions for Transportation : No information found
Freight Classification : Fertilizing Compound, (Manufactured Fertilizer), Solid, NOIBN (NMFC Item 68140, Sub 5, Class 50)

15. Regulatory Information

National Fire Protection Association Rating :

Health: 1 Fire: 0 Reactivity: 0

Safety Data Sheet

Report Date 1-July-15

Page 4 of 4

Rating Level: (4-Extreme, 3-High, 2-Moderate, 1-Slight, 0-Minimum)

S.A.R.A Title III Hazard :
Classification (Yes/No)

Immediate(Acute) Health: N
Delayed (Chronic) Health: N
Sudden Release of N
Pressure:
Fire: N
Reactive: N

16. Other Information

Data of Preparation/Revision : 1-July-2015

IMPORTANT: The information contained herein is based on available data. However, no warranty is expressed or implied regarding the accuracy of this data or the results to be obtained from the use thereof; and you should make your investigation to determine safety for the use you contemplate. MAS makes no warranty of merchantability of fitness for a particular use, nor is there any other express or implied warranty except as may be specifically provided otherwise on product. MAS assumes no responsibility or liability for any incidental or consequential damages whether related to personal injury or property damage, to vendees, users or third parties, caused by the material and MAS's responsibility is limited to replacement of, or repayment of, the purchase price for the material(s) with respect to which any damages are claimed. All vendees or users assume all risk associated with the use of the material(s).
