

MilAgro™

# Keylamax™ Boron

## Liquid Foliar Fertilizer

Keylamax™ Boron is a Boron amino acid complex

### Guaranteed Analysis

W/W

Boron (B) ..... 10.0%

Derived from boron amino acid complex

**Instructions for use:** Apply 0.25-1 quarts of Keylamax™ Boron per acre during early stages of active growth. Apply at 10 to 14 day intervals during active stages of growth. Please consult with your local agronomist or Mil Agro representative for specific recommendations according to crop.

**WARNING:** The use of this product on any crops other than those recommended may result in serious injury to the crop(s). Information regarding the contents and levels of metals in this product is available on the internet at <http://www.apfco.org/metals.htm>

**Warranty Statement:** The manufacturer warrants that this product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with the directions under normal conditions of use. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials or the manner of use or application, all of which are beyond the control of the manufacturer. In no case shall the manufacturer be liable for consequential, special or indirect damages resulting from the use or handling of this product. The manufacturer makes no warranties of merchantability or fitness for a particular purpose nor any other express or implied warranty except as stated above.

**KEEP OUT OF REACH OF CHILDREN:** Harmful if swallowed. **WARNING:** This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. **EYES:** Flush with running water for at least 15 minutes. If irritation persists, get medical attention. **SKIN:** Wash thoroughly with soap and water. If irritation persists, or if rash develops, get medical attention. **IF SWALLOWED:** Drink one or two glasses of water and induce vomiting. Get medical attention. Never induce vomiting or give anything by mouth to an unconscious person. **INHALATION:** Remove to fresh air. If irritation persists, get medical attention. **CAUTION:** Causes skin irritation. Avoid contact with skin, eyes, open cuts, or sores. In case of contact, flush with water. Get medical attention for eyes.
