

ADJUVANT

PEEL BACK BOOK HERE

PRINCIPAL FUNCTIONING AGENTS:

Modified phthalic glycerol alkyd resin 77.0%

CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANTS 23.0%

TOTAL **100.0%**

Compositional Information: The following chemicals contribute to the hazard of this product and are listed in accordance with ANSI Z129.1 and state laws:

Modified phthalic glycerol alkyd resin (trade secret)

Butyl alcohol (CAS Reg. No. 71-36-3)

HAZARD STATEMENTS:

May be harmful if swallowed.

May be harmful in contact with skin.

May be harmful if inhaled.

Causes eye irritation.

PRECAUTIONARY STATEMENTS

General:

If medical advice is needed, have product container or label on hand.

Keep out of reach of children.

Read label before use.

Prevention:

Wash hands, face and other affected areas thoroughly after handling.

Wear protective gloves, protective clothing, eye protection and face protection.

Take off contaminated clothing and wash before reuse.

Response:

Call a POISON CENTER or doctor/physician if you feel unwell.

IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or

doctor/physician if you feel unwell.

IF ON SKIN Wash with plenty of water. If skin irritation occurs get medical advice/attention.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

In case of emergency call CHEMTREC 1-800-424-9300

KEEP OUT OF REACH OF CHILDREN WARNING

FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye.

IF SWALLOWED: Have person sip a glass of water if able to swallow. **DO NOT** induce vomiting unless told to do so by a poison control center or doctor. **DO NOT** give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth, if possible.

DIRECTIONS FOR USE

Not for aquatic use in Washington. Product can be used for aquatic application in other states. Consult the relevant aquatic herbicides for recommendations on use rates.

Latron B-1956 is a water-dispersible, resin-based nonionic surfactant (not a water-soluble detergent-type wetting agent) that resists rewetting and removal by rain. *Latron B-1956* is effective as a spreading, depositing and sticking agent to improve the performance of insecticides, miticides, fungicides, defoliants and herbicides.

Latron B-1956 is beneficial when used on smooth and waxy or fuzzy (hairy) foliage and fruit. *Latron B-1956* will also improve spray coverage on fruit or foliage that is covered by dust or honey dew, webbed by spider mites or infected with powdery mildew, and on hard-to-wet insects such as mealy bugs and scales. On weeds and brush *Latron B-1956* will assist in the spray deposit/penetration.

Growers are urged to closely observe the pattern of spray deposition during spraying and after sprays have dried. If the pattern is blotchy and uneven, more *Latron B-1956* is needed. If the spray is running to lower leaf margins, "eyebrowling," or collecting in drop spots on fruit, the amount of *Latron B- 1956* should be reduced.

DOSAGE: Recommendations for use of *Latron B-1956* depend on the crop, the pest, the kind of spray equipment, volume, pressure and droplet size of the spray and the pesticide of mixture being used. As a general guide, 1 to 2 ounces are used on moderately easy-to-wet plants, 2 to 4 ounces on hard-to-wet plants, and 4 to 8 ounces on very hard-to-wet plants per 100 gallons of dilute full-volume spray. As sprays are concentrated to 2X, 10X, or 20X, the amount of *Latron B-1956* should be increased in about the same proportion as the pesticide. The chart below will serve as a general guide for some of the more common types of spray application.

Gallons of Spray Volume per Acre

	Field Row Crops	Vineyards Hop yards	Tree fruit and nuts	Latron B-1956 (fl oz per 100 gallons of spray)
Dilute	100-160	150-300	600-1000	1-2 oz.
2x	50-80	75-150	300-500	2-4 oz.
3x	35-55	50-100	200-330	3-6 oz.
8x	12-20	20-40	75-125	8-16 oz.
10x	10-16	15-30	60-100	10-20 oz.
20x	5-8	8-16	30-50	1 pt.-1qt
30x	3-5	5-10	20-30	1 1/2 pt.- 1 1/2 qt.

MISCELLANEOUS USES: To improve the wetting properties of insecticidal sprays on livestock, especially in hard water areas, use 1 to 2 ounces of PHT Latron B-1956 per 100 gallons of spray. **COMPATIBILITY:** PHT Latron B-1956 can be used with wettable powder, emulsifiable concentrate or solution formulations of most pesticides now on the market.

STORAGE AND DISPOSAL

DO NOT contaminate water, food, or feed by storage or disposal.

STORAGE: Store product in original container only, away from other pesticides, fertilizers, food or feed. Store away from excessive heat (e.g. steam pipes, radiators), from sources of ignition and reactive materials. Keep from freezing.

DISPOSAL: Wastes resulting from the use of this product must be disposed of on-site or at an approved waste disposal facility. Dispose of contents / container in accordance with local / regional / national regulations. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

SPILLS AND LEAKS: Eliminate all ignition sources. Wear respirator suitable for vapor concentration encountered (MSHA/NIOSH-ap-proved or equivalent).Wear protective clothing. Dike and contain spill with inert material (e.g. sand, earth). Transfer liquid to containers for recovery or disposal and solid diking material to separate containers for disposal. Remove contaminated clothing promptly and wash affected skin areas with soap and water. Keep spills and cleaning runoffs out of municipal sewers and open bodies of water.

IN CASE OF FIRE: Use water spray, dry chemical or CO2. Wear respirator, self-contained breathing apparatus (pressure-demand, MSHA-NIOSH-approved or equivalent) and full protective gear. Use water spray to cool containers.

DO NOT REUSE EMPTY CONTAINER FOR ANY PURPOSE.

CONDITION OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded. The Directions for Use of this product must be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as manner of use or application, weather, presence of other materials or other influencing factors in the use of the product, which are beyond the control of INNVICTIS CROP CARE, LLC or Seller. To the extent consistent with applicable law, all such risks shall be assumed by Buyer and User, and Buyer and User agree to hold INNVICTIS CROP CARE, LLC and Seller harmless for any claims relating to such factors. INNVICTIS CROP CARE, LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, subject to the inherent risks referred to above, when used in accordance with directions under normal use conditions. This warranty does not extend to the use of this product contrary to label instructions or under conditions not reasonably foreseeable to or beyond the control of Seller or INNVICTIS CROP CARE, LLC, and Buyer and User assume the risk of any such use. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, INNVICTIS CROP CARE, LLC MAKES NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE. To the extent consistent with applicable law, neither INNVICTIS CROP CARE, LLC nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. **TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THE EXCLUSIVE REMEDY OF THE USER OR BUYER, AND THE EXCLUSIVE LIABILITY OF INNVICTIS CROP CARE, LLC AND SELLER FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF INNVICTIS CROP CARE, LLC OR SELLER, THE REPLACEMENT OF THE PRODUCT.** INNVICTIS CROP CARE, LLC and Seller offer this product, and Buyer and User accept it, subject to the foregoing Conditions of Sale and Limitation of Warranty and Liability, which may not be modified except by written agreement signed by a duly authorized representative of INNVICTIS CROP CARE, LLC.
