

**ACTION**

Lidatrition is a Nitrogen-based fertilizer obtained by hydrolysis of soy protein. It is recommended for use as a supplement to a regular fertilizer program to improve crop productivity and promote plant vigor in agricultural crops.

**WARNINGS**

**USE ONLY IN CASE OF NECESSITY.  
DO NOT EXCEED THE RECOMMENDED RATE.**

The recommendations and information given in this label have been carefully studied and tested. However, in the utilization of the product, there could be interference in other factors that are not possible to control such as mixture preparation, application, climate, etc. Caltec Agri Marketing Services guarantees the composition, formulation and content. The user will be responsible for the damages caused by lack of efficacy, toxicity, residues, etc., by partial and/or total un-observance of the instructions given on the label.

KEEP OUT OF REACH OF CHILDREN

**WARNING**

Causes skin and eye irritation.

**PRECAUTIONARY STATEMENTS**

Read label before use. Keep away from heat, hot surfaces, sparks, open flames and ignition sources. Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Keep away from cattle food. Avoid release into the environment. Wear protective gloves/protective clothing/eye and face protection. Store in cool, dry, well-ventilated place. Protect from sunlight/direct light and long storage periods. Avoid low temperatures in Winter and temperatures above 82.4°F/28°C. Dispose of contents/container in accordance with local/regional/national/international regulations.

**FIRST AID – Eyes:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. **Skin:** Immediately remove all contaminated clothing. Rinse skin with water/shower. **Inhalation:** Remove person to fresh air and keep comfortable for breathing. **Ingestion:** Rinse mouth. Do NOT induce vomiting. Seek medical attention.
