

ORGANO Zn 9%

GUARANTEED ANALYSIS

Sulfur (S)	4.50%
Zinc (Zn)	9.00%
0.05% Chelated Zinc	

Derived From: Zinc Sulfate Chelated with Citric Acid

KEEP OUT OF REACH OF CHILDREN

DANGER

Causes serious eye damage.

F1548

FOR AGRICULTURAL AND PROFESSIONAL USE ONLY

FIRST AID

If in eyes: CORROSIVE. Begin eye irrigation immediately. All eye exposures require medical evaluation following decontamination. Immediately rinse eyes with large quantities of water or saline for a minimum 30 minutes, longer irrigation time is preferred if possible. If possible, remove contact lenses being careful not to cause additional eye damage. If the initial water supply is insufficient, keep the affected area wet with a moist cloth and transfer the person to the nearest place where rinsing can be continued for the recommended length of time. Call an ambulance for transport to hospital. Continue eye irrigation during transport. For additional advice call the medical emergency number on the SDS or your poison center or doctor.

If inhaled: Remove person to fresh air and keep comfortable for breathing. If not breathing, if breathing is irregular or if respiratory arrest occurs, provide artificial respiration or oxygen by trained personnel. It may be dangerous to the person providing aid to give mouth-to-mouth resuscitation. Get medical attention if adverse health effects persist or are severe. If unconscious, place in recovery position and get medical attention immediately. Maintain an open airway. Loosen tight clothing such as a collar, tie, belt or waistband.

If in skin or clothing: No known significant effects. Rinse the affected areas with water. Remove contaminated clothing, jewelry, and shoes. Wash/clean items before reuse. Seek medical attention for persistent skin pain or irritation. For additional advice call the medical emergency number on the SDS or your poison center or doctor.

If swallowed: Wash out mouth with water. Remove dentures if any. If material has been swallowed and the exposed person is conscious, give small quantities of water to drink. Stop if the exposed person feels sick as vomiting may be dangerous. Never give anything by mouth to an unconscious person. Do not induce vomiting unless directed to do so by medical personnel. If vomiting occurs, the head should be kept low so that vomit does not enter the lungs. Get medical attention if adverse health effects persist or are severe. If unconscious, place in recovery position and get medical attention immediately. Maintain an open airway. Loosen tight clothing such as a collar, tie, belt or waistband.

GENERAL USE

LEAF LIFE ORGANO Zn 9% is designed for use on all crops to aid in Zinc deficiencies. Proper nutrient management will aid with crop quality and yield. Foliar fertilization is intended to supplement standard ground fertility programs and will not by itself provide all nutrients required for all crops.

DIRECTIONS FOR USE

Foliar: Apply 1 to 4 quarts per acre with sufficient water for thorough coverage. Repeat every 1 to 2 weeks as needed.

Soil: Apply 1 to 4 quarts per acre. Product can be applied through drip and all irrigation systems or sprayed on the soil and watered in. Repeat every 1 to 2 weeks as needed.

PRECAUTIONS

WITH pesticides or herbicides, always add this product to spray tank before adding the herbicide or pesticide.

A compatibility test is recommended before tank mixing with other products. User assumes full responsibility to ensure product, equipment, and plant compatibilities.

Always consult your crop advisor or field salesperson for their recommendation on matters of proper rates, crop sensitivity, timing of application and tank mix compatibility.

*AVOID applying to wet fruit surfaces. Apply to dry plant surfaces to the point of wet with no run-off. Avoid spraying at temperatures above 80 degrees at time of application. Do not apply to crops under cool or slow drying conditions.

STORAGE AND DISPOSAL

STORAGE: STORE ABOVE 52 °F. Shake well before using. Store in original containers only. Keep containers tightly closed when not in use. Store in a cool, dry well-ventilated area, preferably in a locked storage area away from children, feed and food products, and seed. Store at ambient temperatures. Do not contaminate water, food, or feed by storage or disposal.

DISPOSAL: Do not reuse container. Plastic: Triple rinse (or equivalent), adding rinse water to spray tank, then offer for recycling at an ACRC site (go to <http://www.acrecycle.org/> for locations) or by reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Do not contaminate water, food, or feed by storage or disposal.

HANDLING: Avoid breathing fertilizer mists. Avoid prolonged or repeated skin contact. Avoid eye contact. Wash hands thoroughly after handling this product.

For help with any spill, leak, fire or exposure involving this material, call day or night CHEMTREC 1-800-424-9300.
