

leaf life slingshot™

Acidifier

Principle Functioning Agents:

Citric Acid	50.0%
Constituents ineffective as spray adjuvant	50.0%
TOTAL	100.0%

All ingredients are exempt from the requirement of a tolerance at 40 CFR 180.

CA Reg. No.: 34704-50096 WA Reg. No.: 34704-50094

KEEP OUT OF REACH OF CHILDREN

WARNING

Hazard Statements: Causes serious eye irritation. Causes mild skin irritation. May cause respiratory irritation.

Precautionary Statements: Wash hands thoroughly after handling.

Personal Protective Equipment (PPE): Wear eye protection/face protection/protective gloves.

First Aid: If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. If swallowed: Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

FOR A MEDICAL EMERGENCY INVOLVING THIS PRODUCT, CALL 1-866-944-8565.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

Manufactured for: Loveland Products, Inc.® P.O. Box 1286 Greeley, CO 80632-1286

GENERAL INFORMATION:

LEAF LIFE SLINGSHOT™ is a buffering agent specially designed for lowering the pH of irrigation water. LEAF LIFE SLINGSHOT contains high concentrations of citric acid. The application of LEAF LIFE SLINGSHOT to irrigation water complexes minerals in both the water and the soil. The optimum pH in irrigation water is between 5.3 to 6.0, and citric acid is ideal as an acidifier for reducing the pH. LEAF LIFE SLINGSHOT can be applied to all crops including fruit trees, vines, tree nuts, fruits and vegetables, field and row crops, ornamental trees, shrubs and flowers, containerized plants, and turf. LEAF LIFE SLINGSHOT is not for aquatic use.

DIRECTIONS FOR USE:

For use in Agriculture, Nurseries and Greenhouses: Use this product to buffer spray mix pH level. Application rates depend on water pH and buffering capacity; therefore, use a pH meter to determine proper level of this product in the tank mix. Typical use rates are between 1.0 to 2.0 ounces per 100 gallons of water. This product can be used with all conventional application equipment, including air blast.

For Irrigation Water: Use LEAF LIFE SLINGSHOT to lower the pH of irrigation water, when the pH of the water is above the acceptable pH range 5.2 to 6.8. The suggested use rate is 4.0 to 15.0 fluid ounces per 1000 gallons of water. Use rates may vary depending on the test results of the irrigation water.

STORAGE AND DISPOSAL

STORAGE: Store in cool, dry place. Store in original container. Keep container tightly closed. Do not reuse empty container. Avoid storage below 32° F. If product freezes, warm and agitate (recirculate) prior to using.

DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. Dispose of contents/containers on-site or at an approved waste disposal facility. Triple rinse (or equivalent) adding rinse water to spray tank. Offer container for recycling or dispose of container in sanitary landfill, or by other procedures approved by appropriate authorities. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at www.acrecycle.org.

For help with any spill, leak, fire or exposure involving this material, call day or night CHEMTREC 1-800-424-9300.

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

BEFORE BUYING OR USING THIS PRODUCT, read the Directions for Use and the following Conditions of Sale and Limitation of Warranty and Liability. By buying or using this product, the buyer or user accepts the following Conditions of Sale and Limitation of Warranty and Liability, which no employee or agent of LOVELAND PRODUCTS, INC. or the seller is authorized to vary. LOVELAND PRODUCTS, INC. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, when the product is used in accordance with such Directions for Use under normal conditions of use.
