

LISIVEG 30

Lisiveg 30 is an innovative liquid fertilizer based on organic nitrogen derived from 100% plant-based amino acids and peptides. This nitrogen is rapidly absorbed by leaves and translocated in plant tissue.

Lisiveg 30 may aid in reducing the effect of abiotic plant stresses such as heat, cold, drought, and salinity. It may help reduce the effect of some biotic stresses.

Lisiveg 30 improves plant growth and supports the most important phases (growth, flowering, fruit enlargement).

Lisiveg 30 enhances traditional fertilizer programs to help achieve high productivity and quality. The peptides in **Lisiveg 30** are known to improve productivity, physiological attributes, biochemical constituents and quality parameters.

USE INFORMATION AND DOSE

Lisiveg 30 is suitable for use on all growing plants.

UNDER NORMAL CONDITIONS

Foliar Applications: Apply 24 to 64 fl. oz. per acre during the growth cycle of the plant. Applications may be repeated up to 6 times per growing season.

In-furrow: Apply 24 to 64 fl. oz. per acre as a starter fertilizer or as an addition to your starter fertilizer program.

Use and does are approximate. Please consult your authorized Hello Nature® representative for specific recommendations.

Vegetal Protein Hydrolysate

SHAKE WELL BEFORE USE

Due to the biological nature of this product, separation and color variations are normal.

The product is stable at ordinary temperatures and pressures. Store in a dry place at temperatures between 40° and 95° F. Keep out of reach of children and animals. Do not eat. Avoid contact with eyes and skin. In case of accidental spillage of fertilizer, collect with absorbent material.

Lisiveg 30 is miscible with most common pesticides and fertilizers. Before using we recommend jar testing to evaluate compatibility with other products. Do not exceed recommended dose. Do not apply undiluted. Do not mix with white oil or oil-based insecticides and fungicides.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.apfco.org/metals.html>.

KEEP OUT OF THE REACH OF CHILDREN.
CONDITION OF SALE:

SELLER WARRANTS THAT THE PRODUCT CONFORMS TO THE CHEMICAL DESCRIPTION AND IS REASONABLY FIT FOR THE PURPOSE STATED ON THIS LABEL WHEN USED IN ACCORDANCE WITH DIRECTIONS UNDER NORMAL CONDITIONS OF USE. SINCE WEATHER, CROP, SOIL AND OTHER CONDITIONS MAY VARY, ITALPOLLINA AND/OR SELLER MAKE NO WARRANTY OF ANY KIND, EXPRESSED OR IMPLIED, CONCERNING THE USE OF THIS PRODUCT. THE USER ASSUMES ALL RISKS OF USE OF HANDLING, WHETHER OR NOT IN ACCORDANCE WITH DIRECTIONS OR SUGGESTIONS TO THE EXTENT CONSISTENT WITH APPLICABLE LAW. THIS PRODUCT MAY NOT BE REGISTERED IN ALL STATES.
