General Information

SOIL APPLIED - MICRODRY Mg as a soil application are readily available micronutrient that are quickly and efficiently accessed by the roots. When soil applied, the best performance is obtained when the solution comes in contact with the root system, therefore micro irrigation and side-dressing are a natural fit. Chelated with EDTA, it is a perfect product in a tank mix with most chemicals and fertilizers because it will not react with or reduce the efficacy of other active ingredients. MICRODRY Mg, will show immediate result for all crops, preventing shortages without compromising the yield.

FOLIAR APPLIED - MICRODRY Mg as a foliar application is absorbed quickly and efficiently by the leaves. Chelated with EDTA, it is a perfect product in a tank mix with most chemicals and fertilizers because it will not react with most active ingredients. Use sufficient spray volume to ensure coverage. Refer to suggested rate range which may vary from crop stage and condition. Best performance is obtained when crops have an adequate supply of water.

CROPS	SOIL APPLIED Every 2-3 weeks	FOLIAR APPLIED Every 2-3 weeks
Vegetable	4 to 12 lbs/Ac	0.25 – 1.5 lbs/Ac in 25 gal water
Tree crops, All Fruits, Nuts, Vines and Citrus	4 to 14 lbs/Ac or 0.5 to 3 oz per tree depending on tree size	0.25-2 lbs/Ac in 100 gal water. Do not apply during bloom.
Field Crops	4 to 14 lbs/Ac	0.25-1.2 lbs/Ac in 25 gal water
Turf and Ornamentals	0.5 lb/1000 sq ft or 20 lbs/Ac	1 – 4 oz/1000 sq ft in adequate spray water volume for full coverage.

Condition of Sales and Warranty The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of factors including, but not limited to weather conditions, presence of other materials, or the manner of use or application which are beyond the control of AgroPlantae, Inc. or the Seller. All such risks shall be assumed by the Buyer. AgroPlantae, Inc. warrants that this product con-forms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use subject to the inherent risks referred to above. AgroPlantae, Inc. makes no express or implied warranty of Fitness For Particular Purpose or Merchantability or any other express or implied warranty, other than such warranties expressly provided here. In no case shall AgroPlantae, Inc. or the Seller be liable for consequential, special, or indirect damages resulting from the use or handling of this product. AgroPlantae, Inc. and the Seller offer this product, and the Buyer and user accept, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of AgroPlantae, Inc.
