GENERAL INFORMATION

MarKey™ Boron 10% solution is a manufactured liquid nutrient. Its use is suggested as a supplement to a regular balanced fertilizer program to enhance yields and improve quality.

DIRECTIONS FOR USE

MIXING DIRECTIONS

Fill spray tank 1/3 to 1/2 with water. With agitator running, add MarKey™ Boron 10% solution. Agitate while adding remaining water and any other fertilizer. Add pesticide last and continue to agitate. Agitate well prior to spraying if mix has been left standing for a short time.

GROUND APPLICATIONS

MarKey™ Boron 10% solution should not exceed 1 pint per gallon of water. Do not exceed 3/4 gallon of MarKey™ Boron 10% per acre. Apply the recommended amount of MarKey™ Boron 10% with sufficient water to provide the desired coverage. When less than 10 gallons of water per acre is used, a slight burning of foliage may occur.

AERIAL APPLICATIONS

Using a total of 7 to 10 gallons of water per acre is sufficient to apply the recommended amount of MarKey™ Boron 10% solution. If less water is used, a slight burning of the foliage may occur. Aerial application should not exceed 1 quart per gallon of water to insure good coverage.

WARNING: Use of MarKey™ Boron 10% solution on any crops other than those recommended may result in serious injury to the crop(s). Do not use MarKey™ Boron 10% solution with oils, limesulfur and/or highly alkaline spray materials.

STORAGE AND DISPOSAL

This product must be stored above 40°F. Be careful not to contaminate water, food, or feed by disposal or storage. All containers should be offered for reconditioning or recycling.

Use in accordance with recommendations of qualified individual or institution such as, but not limited to, a certain crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan. When tank mixing other products, "Jar Test" proportionally mixed components to confirm compatibility.

WARNING: This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

CONDITIONS OF SALE AND WARRANTY

Mar Vista Resources (Seller) warrants that the chemical composition of this product conforms to the chemical description given on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. No one is authorized to make any other warranty, guarantee or directions concerning this product, and no such warranties, guarantees or directions shall be valid or binding upon Seller. Timing, rate and method of application, weather and crop conditions, mixtures with chemicals not specifically recommended on this label or an accompanying written recommendation, are beyond the control of Seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. In no case shall Seller be liable for consequential, special, indirect, or incidental damages or losses resulting from the handling or use of this product. The foregoing is a condition of sale by Seller and is accepted as such by the buyer. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at buyer's option, as full discharge of Seller's liability.
