

# FIFRA

## Section 2(ee) Recommendation

Date: March 4, 2022

Product: Miravis® Ace  
EPA Reg. No. 100-1645

Use: Plant Health and Suppression of Early Season Disease in Wheat

State: CO, ID, MT, NE, ND, SD, WY

### Directions for Use

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- The user must refer to the federally approved labels for the above noted product and read and follow all directions for use, restrictions, and precautions.
- The user should have this recommendation in its possession at the time of use.
- This recommendation for use of this product is permitted under Section 2(ee) of FIFRA and has not been submitted to or been approved by EPA.

For plant health benefits and the suppression of early season disease on wheat, apply Miravis Ace at 7.0 – 13.7 fl oz/A at herbicide timing near the beginning of stem elongation.

Follow all other directions, restrictions, and precautions on the Miravis Ace EPA-registered label.
