

MOLYBDENUM 15

0-15-0

GUARANTEED ANALYSIS

Available Phosphate (P_2O_5): 15%

Molybdenum (Mo): 15%

Derived from:

Phosphoric acid, Sodium molybdate.

PURPOSE OF PRODUCT

A foliar applied inorganic liquid formulation of molybdenum for application to agricultural and horticultural crops to assist in the correction of molybdenum deficiency.

RATES OF USE

0.25 – 0.5 pints per acre in at least 25 gallons of water.

Note: A crop's nutrient status can only be determined accurately by tissue analysis. Headland recommends that tissue analysis results are used whenever possible to optimise nutrient applications.

TIMING

Apply as soon as there is sufficient foliage available to allow uptake by the plant. Treat transplanted crops at the seedling stage.

APPLICATION

Half-fill the spray tank with clean water, begin agitation and add the required quantity of Molybdenum 15. Add the rest of the water and apply without delay.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>

STORAGE

Protect from frost. Store above 41°F.

Keep in cool, well ventilated suitable store. Do not store in direct sunlight or near direct sources of heat. Keep out of reach of children. Keep away from food, drink and animal feedstuffs.

SAFETY PRECAUTIONS

CAUTION: The application of fertilizer containing molybdenum (Mo) may result in forage crops containing molybdenum (Mo) which are toxic to ruminant animals.

GHS-US classification

Warning

H315: Causes skin irritation.

H319: Causes serious eye irritation.

P264: Wash hands thoroughly after handling.

P280: Wear protective gloves/protective clothing/eye protection/face protection.

P302+352: IF ON SKIN: Wash with plenty of water/soap and water.

P305+351+338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

P332+313: If skin irritation occurs: Get medical advice/attention.

P337+313: If eye irritation persists: Get medical advice/attention.

Batch No: See neck of the bottle

Net Contents: 1 qt (0.95 L)

Net Weight : 3.54 lb (1.61 kg)
