

Momenta™

Momenta™

UAN Fertilizer / Methylated Blend

Principal Functioning Agents

UAN fertilizer, methylated vegetable oil, alkyl phenol ethoxylate, tallow amine ethoxylate, polydimethylsiloxane.....100.0%

UAN

Total Nitrogen (N).....32.0%
 7.75%...Ammoniacal Nitrogen
 7.75%...Nitrate Nitrogen
 16.5%...Urea Nitrogen

All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN

WARNING

Hazard Statements

- Causes mild skin irritation.
- Causes serious eye irritation.

Precautionary Statements

- Wear protective gloves/eye/face protection.
- Wash thoroughly after handling.
- If in eyes: Rinse continuously with water for several minutes.
- Remove contact lenses if present and easy to do; continue rinsing.
- If eye irritation persists: Get medical advice/attention.
- If skin irritation occurs: Get medical advice/attention.

Environmental Hazards

Do not contaminate water sources by cleaning of equipment or disposal of wastewaters.

First Aid

If Swallowed: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Have person sip a glass of water if able to swallow. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Always call a poison control center or doctor for treatment advice.

If In Eyes: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If On Skin Or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Always call a poison control center or doctor for treatment advice.

General Information

Momenta is a blend of UAN fertilizer and methylated seed oil (MSO) tank mix adjuvant for use with Kixor® (saflufenacil) technology. Momenta can be used as a single tank mix additive to ensure full compliance with Kixor technology tank label instructions. Momenta meets the specifications for UAN and MSO tank mix additives as indicated by the herbicide product label. Momenta also contains a unique surfactant component that effectively enhances glyphosate activity for burndown applications. The methylated seed oil components will modify deposition and wetting characteristics to improve spray coverage. Momenta provides the convenience of a single adjuvant to optimize Kixor herbicide performance.

Directions For Use

Always read and follow the label of the tank mix herbicides before using Momenta.

Use Rate: Use at 2.5 gallons per 100 gallons of spray solution, or 2.5% v/v.

If Spray Rate Is Less Than 12.5 GPA: Use a minimum of 1 pint of Momenta per acre.

When used at the full label rate, Momenta provides UAN at 1.25% v/v and MSO at 1% v/v.

Mixing

Prior to pesticide application, clean mixing and application equipment according to pesticide label directions. To minimize foaming fill spray tank 2/3 or 3/4 full of water and begin agitation. If foaming is anticipated the addition of an antifoaming agent should be added before pesticides, nutrients, or Momenta.

Add pesticides and/or fertilizers as directed by label or in the following sequence:

- 1) Micronutrients and fertilizers; 2) Dry flowables and dispersible granules; 3) Flowables; 4) Water soluble pesticides; 5) Emulsifiable concentrates.

Continue agitation and add Momenta. After the addition of Momenta, reduce agitation and allow to mix for 1 to 2 minutes. Continue filling tank while under minimal agitation.

NOTE: For optimum results, spray mixes containing Momenta should be applied within 36 hours.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Storage: Keep container tightly closed and DO NOT allow water to be introduced to contents of this container. DO NOT reuse this container. Keep cool.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill. Dispose of contents/container in accordance with local/national regulations.

CONDITIONS OF SALE, LIMITED WARRANTY, AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following:

1. Refund of the purchase price paid by buyer or user for product purchased, or,
2. Replacement of the product used.

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
