NUTRA-ZORB COPPER

FOR FOLIAR APPLICATION

For Correction or Prevention of Copper Deficiency in Agricultural Crops, Vegetable Crops, Turf, and Ornamentals

GENERAL INFORMATION

NUTRA-ZORB COPPER 5.1 is a proprietary blend of plant soluble copper and additives specifically formulated for foliar applied use to correct and prevent copper deficiency. It can be mixed with many liquid fertilizers, however DO NOT MIX WITH PHOSPHATE LIQUID FERTILIZERS. It is also not recommended for use with pesticides that are not compatible with acidic materials. NUTRA-ZORB COPPER 5.1 is environmentally safe, made with only "clean" raw materials free from heavy metal contamination.

DIRECTIONS FOR USE

NUTRA-ZORB COPPER 5.1 is compatible with most pesticides and can be applied by ground or aerial applications. Use sufficient water for thorough and uniform coverage of foliage. Mix in the following sequence: 1) 1/2 water, 2) NUTRA-ZORB COPPER 5.1, 3) pesticide/fertilizer if required, 4) remaining water. Continue agitation for at least 5 minutes. Always conduct a jar test with new tank mixes to verify compatibility. Apply on small test area to evaluate plant responses before large scale application.

RECOMMENDED RATES

If Inhaled:

The optimum rate and timing of applications will depend on local conditions and should always be made as a result of soil and/or plant tissue analysis in consultation with your local agricultural authorities. For foliar application apply no more than 16-32oz/100 gallons spray solution. Recommended for use on field crops, vegetable crops, fruits, nuts, ornamentals, and fresh cut flowers.

WHAT TO DO IN CASE OF CONTACT

If Ingested: Give large amounts of water or milk, if conscious. Contact a

physician immediately.

Eye Contact: Flush eyes with clean water for 15 minutes. Seek medical

attention immediately.

Skin Contact: Remove contaminated clothing and wash skin with soap and

water. Seek medical attention if irritation develops or persists.

Move to fresh air and seek medical attention if irritation develops or persists.

2.5 GALLONS (9.46 LITERS) NET WT. 24. LBS.
