

Nitragin[®] Gold

nitrogen-fixing bacteria for

alfalfa
seed

PROD. #: 8061-755

MINIMUM GUARANTEE

300 million viable cells of *Rhizobium meliloti* strain NRG-185 per gram

CAUTION

Avoid prolonged or repeated skin contact and inhalation. Recommend use of dust mask, safety glasses and protective gloves. Small amounts of quartz are a naturally occurring component of the carrier substrate. Chronic inhalation of quartz dust may cause lung disease.

LIMITED WARRANTY

The seller warrants that this product contains a minimum number of *Rhizobium meliloti* viable cells as specified on the label. The seller makes no other warranty expressed or implied as to product viability or performance since storage, use, and growing conditions are beyond the seller's control. Seller's guarantee is limited to the terms set out on the label and subject thereto. Buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
