

NOBLE®

Modified Vegetable Oil and Surfactant

NOBLE® Modified Vegetable Oil and Surfactant is a blend of methylated seed oil, surfactants and emulsifiers designed to benefit postemergence herbicides and certain insecticides, especially when applications are made under adverse environmental conditions such as extreme heat or low humidity.

Principal Functioning Agents

Mixed fatty acid methyl esters of vegetable oil and alkylphenol ethoxylate	92.5%
Constituents Ineffective as a spray adjuvant	7.5%
Total	100%

All ingredients are exempt from tolerance under 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN

WARNING

Causes serious eye irritation. May cause respiratory irritation.

PRECAUTIONARY STATEMENTS

Wash hands thoroughly after handling. Wear eye and face protection. Avoid breathing mist or spray. Use only outdoors or in a well-ventilated area.

STORAGE AND DISPOSAL

Store in a well-ventilated, secured place. Keep container tightly closed. Protect from freezing. Shake well before use. Do not reuse container. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the web page at www.acrecycle.org. Triple rinse (or equivalent) and offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill. Dispose of contents/container in accordance with Federal, state and local regulations.

FIRST AID

IF IN EYES: Rinse cautiously with water for 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.

IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a poison control center or doctor for treatment advice if you feel unwell.

For Emergency, Spill, Leak, Fire, Exposure, or Accident, Call: CHEMTREC 1-800-424-9300

Directions for Use: READ ENTIRE LABEL BEFORE USING.
For Terrestrial Use Only - Not For Aquatic Use

WINFIELD™

AgriSOLUTIONS™

NOBLE® is a multi component spray adjuvant developed to maximize the performance of certain herbicides and insecticides in postemerge applications. This product is a replacement for non-ionic surfactants and crop oils (petroleum oils) in spray mixtures. NOBLE® has been widely tested and research indicates improved performance and consistency when combined with certain herbicides and insecticides.

NOTE: NOBLE® adjuvant supplements the performance of pesticides. Specific usages and restrictions contained on the pesticide label have precedence over use rates contained on this label.

Use NOBLE® at 1 to 2.0 pints per acre with postemerge herbicides. The 2.0 pints per acre rate may be required if weed populations are extreme or if plants are stressed at the time of treatment. NOBLE® may be used at 1.0 to 2.0 pints per acre with insecticides, or at a final solution concentration of 0.125% to 1.00% (1 pint to 4 quarts per 100 gallons). Always add NOBLE® last to the spray mix and continue agitation, or follow specific tank filling and mixing information provided on the pesticide label. Refer to the pesticide label for additional recommendations or precautions.

Special Caution

NOBLE® increases the effectiveness of herbicides. During periods of high temperatures or extremely humid conditions, herbicides become more active. It is recommended that a small test area be treated if such conditions prevail. Test areas are also recommended in the treatment of new crop varieties or highly inbred crop lines.

Notice of Warranty

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NOR IS ANY REPRESENTATIVE OF SELLER AUTHORIZED TO MAKE ANY SUCH WARRANTY OR MODIFY THESE TERMS. This warranty does not extend to the storage, handling or use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such storage, handling or use. Seller shall not be responsible for incidental or consequential damages, if any, resulting from a breach of warranty.
