FOR AGRICULTURAL AND PROFESSIONAL USE ONLY

SHAKE WELL BEFORE USING DO NOT REUSE CONTAINER

GENERAL INFORMATION

NUTRI-BALANCE, a premium blend of five (5) essential plant nutrients, is designed for use as a broadcast foliar application on irrigated crops. Loveland Nutri-balance may be used alone or in combination with pesticides. See incompatibilities below.

DIRECTIONS FOR USE

NUTRI-BALANCE may be applied either by ground or air application. It may be particularly effective where an acidic solution is desired for improved performance of certain pesticides.

APPLICATION RATES

Use 4.0 to 7.0 quarts per acre in a minimum of 7.0 gallons per acre water by air. Use 4.0 to 7.0 quarts per acre in a minimum of 15.0 gallons per acre water by ground application. Consult your Crop Production Services Crop Consultant for other specific application recommendations.

INCOMPATIBILITIES

Loveland Nutri-balance is compatible with most pesticides except basic products such as lime sulfur, metal oxides, etc. A compatibility test is always recommended if the desired combination has not been used in the past.

PRECAUTIONS

Consult your Crop Production Services Crop Consultant for specific precautions such as buffering of final spray solutions. Rinse spray equipment after each use.

FIRST AID

If in eyes: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

FOR A MEDICAL EMERGENCY INVOLVING THIS PRODUCT, CALL 1-866-944-8565.

STORAGE AND DISPOSAL

STORAGE: Shake well before using. Store in original containers only. Keep containers tightly closed when not in use. Store in a cool, dry well-ventilated area, preferably in a locked storage area away from children, feed and food products, and seed. Store at ambient temperatures. Do not contaminate water, food, or feed by storage or disposal. **DISPOSAL:** Do not reuse container. Plastic: Triple rinse (or equivalent), adding rinse water to spray tank, then offer for recycling at an ACRC site (go to <http://www.acrecycle.org/> for locations) or by reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Do not contaminate water, food, or feed by storage or disposal.

HANDLING: Avoid breathing fertilizer mists. Avoid prolonged or repeated skin contact. Avoid eye contact. Wash hands thoroughly after handling this product.

For help with any spill, leak, fire or exposure involving this material, call day or night CHEMTREC 1-800-424-9300.
