GENERAL INFORMATION

Octave Gain is a blend of secondary and micronutrients, lignosulfonates, organic acids derived from water-soluble anionic polyelectrolyte polymers, wood derived carbohydrates and simple wood sugars. Octave Gain is an excellent source of secondary and micronutrients and organic material in a homogeneous granular form.

DIRECTIONS FOR USE

F1683

Manufactured By:
Winfield Solutions, LLC
P.O. Box 64589
St Paul, MN 55164-0589

Weight per gallon 9.10 lbs (4.13 kg)
Net Weight:

1/1101/9

WINFIELD[®]
UNITED

Octave Gain can be applied to all crops including row crops, field crops, trees, vines and vegetables. Octave Gain can be applied broadcast, banded, or strip till. Octave Gain can be applied alone or blended with other fertilizers*.

*Fertilizer materials vary in their condition. Avoid blending Octave Gain with excessively wet fertilizers.

RECOMMENDED RATES

Soil application rates generally range from 10-25 pounds per acre banded, or 15-40 pounds per acre broadcast per growing season. Follow label rates as well as the recommendations of your crop advisor and WinField United representative.

STORAGE AND DISPOSAL

Storage: Store in a dry location.

Disposal: Do not reuse product containers. Triple rinse (or equivalent), then offer for recycling at an ACRC site (go to <http://www.acrecycle.org/> for locations) or by reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by local, state, and federal regulations.

WARRANTY STATEMENT

Winfield Solutions, LLC warrants only that the chemical composition of this product conforms to the ingredient statement given on the label, and that the product is reasonably suited for the labeled use when applied according to the Directions for Use. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NOR IS ANY REPRESENTATIVE OF SELLER AUTHORIZED TO MAKE ANY SUCH WARRANTY OR MODIFY THESE TERMS. This warranty does not extend to the storage, handling or use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such storage, handling or use. Seller shall not be responsible for incidental or consequential damages, if any, resulting from a breach of warranty.
