Rethink Tomorrow

PROD. # 6020-716
Carton treats
 100 units (2 x 50)
 or 14,000,000* seeds
*based on 140,000 seeds per unit
 USA

2620-204-0812

PROD. # 6020-716

Directions for application

- Ensure that treater has been properly calibrated
- Pour Optimize liquid into mix tank
- Pour in Liquid Additive
- Start mix tank agitation
- Apply at a rate of 2.8 fl oz/100 lb seed
- Prepare only as much Optimize as will be used that day

Seed treatment recommendations

- If used with seed treatments, apply recommended rate to Optimize mixture and agitate
- We do not recommend the use of additional water, polymers, or dyes beyond what is required with the seed treatment
- For a list of compatible seed treatments, contact Novozymes BioAg at 1-888-744-5662

Limited warranty

The seller warrants that this product contains a minimum number of *Bradyrhizobium japonicum* viable cells and lipo-chitoooligosaccharide as specified on this label. The seller makes no other warranty expressed or implied as to product viability or performance since storage, use, and growing conditions are beyond the seller's control. Seller's guarantee is limited to the terms set out on the label and subject thereto. Buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
